<u>Class- 2</u> <u>Chapter-7 (</u> air has dust, smoke and germs) <u>General science</u>

Let's answer:	
2. 1. Choose the correct word(s) from the brackets and complete t
following statements.	
(1) When we see a narrow	beam of sunlight, we find countle
dust Particles	dancing in it.
	(dust particles/gern
(2) When coal is burnt, _S	
	(dust particles/smo
(3) Smoke and dust	
(1) 600-	(water vapour/du
(4) Genms come out	when a man sneezes.
(5) Pure	(Dust particles/Gerr
(5) Pure air is good i	for health. (Impure/Pu
64-4	
. State whether the following	statements are True or Falso .
(1) Dust particles in the air n	statements are True or False :
(1) Dust particles in the air n	nay carry germs.
(1) Dust particles in the air n(2) Air near factories is good	nay carry germs. F
(1) Dust particles in the air n(2) Air near factories is good(3) Wind carries dust particle	nay carry germs. F
(1) Dust particles in the air n(2) Air near factories is good	nay carry germs. F
(1) Dust particles in the air n(2) Air near factories is good(3) Wind carries dust particle	for health. Es along with it. F
(1) Dust particles in the air n (2) Air near factories is good (3) Wind carries dust particle Match the columns: Column 'A'	for health. s along with it. Column 'B'
(1) Dust particles in the air n (2) Air near factories is good (3) Wind carries dust particle Match the columns: Column 'A' (1) Chimney of factories	roay carry germs. For health. Es along with it. Column 'B' (a) air
(1) Dust particles in the air n (2) Air near factories is good (3) Wind carries dust particle Match the columns: Column 'A' (1) Chimney of factories (2) Green plants	for health. So along with it. Column 'B' (a) air (b) produces smoke
(1) Dust particles in the air n (2) Air near factories is good (3) Wind carries dust particle Match the columns: Column 'A' (1) Chimney of factories (2) Green plants (3) We breath	roay carry germs. For health. Es along with it. Column 'B' (a) air
