

Capabilities Statement

Core Competencies

Crawford Transportation & More LLC is classified as a “contract carrier” that offers short and long hauls. We also offer yard management services, warehousing and consulting for clients looking to develop more effective logistics safety procures for their shipping and receiving.

You can have confidence in us:

- Million dollar coverage policy on all tractors;
- All tractors equipped with lo-jack tracking systems;
- All tractor parking brakes fit with WatchDawg locking mechanism that works with a separate key.
- State of the art logistics software that allows us to manage freight on the road, in the warehouse and the yard.

Past Performance	Differentiators
<ul style="list-style-type: none"> • Johnson Controls • BestBuy • CEVA • Target • TYCO • NCR • BK Freight 	<ul style="list-style-type: none"> • Consistent, open communication between drivers and customers. Direct communication provides our drivers with ownership and accountability. From a customer service standpoint, it is this attention to detail that makes our customers feel like they are #1. • Target delivery times that are one hour prior to expected delivery times. We do not overbook. We schedule with integrity and plan routes efficiently. • Drivers who are not overworked. It is our priority to schedule in a way that allow drivers to complete deliveries as well as perform pre- and post- delivery activities – all within their scheduled shift. • Strict adherence to Department of Transportation Safety Guidelines. All of our drivers are required to maintain driving logs. Good maintenance is the first defense in promoting good delivery. This ensures that everything is functioning properly.
