Point Breeze

For Your Function on Webster Lake

POINT BREEZE ON WEBSTER LAKE

Point Breeze was founded in 1883 as a private men's sailing club on the shores of Webster Lake (also known as Lake Chagoggagoggmanchaugagoggchaubunagungamaugg). At the turn of the century Point Breeze became a showcase for weekend exhibitions and entertainment for all of Worcester County. During the Roaring '20s Point Breeze Pavilion welcomed regional businesses for their summer outings. Employees would feast on Shore Dinners and local snapping turtle soup while enjoying softball, swimming and bowling. For the next fifty years the Gawle family operated Point Breeze as a seasonal function facility catering to area businesses, weddings and the general public.

Since 1989, the Dupont family maintained and renovated this historic business. During their tenure the buildings and grounds changed but the Point Breeze facility always remained in business making it one of the few restaurants to serve the public the entire 20th Century.

Today, Point Breeze on Webster Lake is a year-round, full-service seafood restaurant, destination function facility and entertainment venue offering lake-side wedding ceremonies, outdoor dining, holiday buffets and community-sponsored events. I, James R. Alkire, wish to provide a panoramic view of the lake, great food and always friendly service making us the place where families meet.
