PAST PERFORMANCES

City of Opa-locka, Florida (Local Government) – Temporary Staffing, Grant and Project Management Support

Overview and how we add value: Provide staff augmentation for multiple projects on temporary staffing contract for certified public accounting and consulting, compliance, risk assessment, program and project management, financial management, budget/forecast, grants, capacity building, training and technical assistance in financial reporting, systems, cost and fund accounting, and authorities guidance. Support assistance for public works and capital improvement projects, development of capital project budget valued at over \$50 million. Grants management support assistance service: lead and support the development and completion of technical writing of grant proposal and documentation. Collect, analyze, and report data on program/project performance in the development phase for grant. Provide support assistance with grant accounting, monitoring, and compliance.

U.S. Agency for International Development, USAID/HAITI

Overview and how we add value: Under sub-contract from 2015- 2016, we assisted with performing financial audit and financial review services for various USAID/Haiti funded grantees and projects. In accordance with U.S. Government Auditing Standards issued by the Comptroller General of the United States, Generally Accepted Accounting Principles (GAAP) in the U.S., and USAID "Guidelines for Financial Audits Contracted by Foreign Recipients" (Guidelines).
