

Paul the Apostle

Apostle Paul wrote 13 books of the New Testament; Romans, 1 & 2 Corinthians, Galatians, Ephesians, Philippians, Colossians, 1 & 2 Thessalonians, 1 & 2 Timothy, Titus, and Philemon

Paul is attributed for many of the controversial teachings about doing good Works, OSAS (once saved always saved), Commandments/Law, Sin, Zionism; Paul is testing you with parallel contrasting verses to see who you are; whats in your heart (see the "Left Behind Church")

If you're a Christian and you haven't considered that Paul is testing you; read below 2 Peter 3:14-18. Don't be that person who blindly follows the church and the false teachings of man. By misunderstanding the scriptures of Apostle Paul and other scriptures. For it may lead to your own Destruction

2 Peter 3:14-18 So then, dear friends, since you are looking forward to this, make every effort to be found spotless, blameless and at peace with him

Bear in mind that our Lord's patience means salvation, just as our dear brother Paul also wrote you with the wisdom that God gave him

He writes the same way in all his letters, speaking in them of these matters. His letters contain some things that are hard to understand, which ignorant and unstable people distort, as they do the other Scriptures, to their own destruction.

Therefore, dear friends, since you have been forewarned, be on your guard so that you may not be carried away by the error of the lawless and fall from your secure position

But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen
