January Reflection

Jeremiah 29:11 "For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future filled with hope."

Brothers and sisters,

Grace and peace to you in the wonderful name of Jesus Christ. As we stand at the precipice of a new year, I want to take a moment to you as pastor, fellow disciple, and grateful companion on this journey of faith that we all share. It is one of the greatest gifts of my life to serve with you and it is a privilege to call First United Methodist Church Cherryville, my congregation and my home.

I know I am more than just a little bit biased, but I hope you know when I say First UMC is special, I am not just blowing smoke. Long before sanctuaries were large or complex, faith was nurtured in close-knit communities where people knew one another by name, shared one another's burdens, and trusted God through seasons of abundance and scarcity alike. That legacy lives on here. You are a part of a long, faithful witness, one that reminds the wider church that the gospel does not depend on size, wealth, or recognition, but on love, faithfulness, and obedience.

As we look toward this new year, I am mindful that we do so in a world that feels uncertain and weary. We see new wars beginning, old wars continuing to rage, we are reminded that one in three children in Cherryville does not know where their next meal is coming from, many of our elderly are forced monthly to choose between getting the medication that they need and eating. There is a lot of uncertainty in our world, and the church is not immune, many churches have been told to brace for decline, to lower their expectations, and to simply try and survive. Yet the Christian story has never been about mere survival, and our story is one of resurrection. Our hope does not come from cultural trends or strategic plans alone; it comes from the promise that God is doing a new thing, even when it is not yet fully visible.

This is why it is important that as we move through 2026 as a congregation, we are going to be participating in what is called *visioning*. Visioning is not about chasing the newest idea or becoming something that we are not. Christian visioning is about listening. Listening for where the Spirit is already at work among us and discerning how God is calling us to participate more fully in His work. Visioning invites us to look honestly at who we are, to give thanks for the gifts God has entrusted to us, and to imagine how those gifts might be offered for the sake of our neighbors and future generations.

Hope is at the heart of the vision. Christian hope is not denial of difficulty. It does not ignore the challenges that we face: aging buildings, limited resources, shifting demographics, or the exhaustion many

feel after years of change. Instead hope insists that none of these realities have the final word. Hope anchors us in the conviction that God's grace is sufficient and that faithfulness offered day by day is never wasted.

I told you on the first Sunday of 2026 that this year is not going to be just another year for us. This year we are going to boldly step into the future that God is calling us to. **In order for us as a congregation to do this, I want to challenge all of us to become more active in our faith and in our participation here at First UMC Cherryville.**

We are going to be taking a journey with one another, not a single one of us knows what the destination looks like yet, but I do know with all of us working together we will get there. In the month of January each Sunday we will have a question and prayers for you to ponder during the week. It is very important that you respond to these questions. They are going to help shape and form our 2026. Each Sunday you will be invited to bring your responses to worship with you to place them in a box and the more responses we get the better our vision can take shape.

For vision calls us to notice what God has already planted among us. We know growth doesn't happen overnight. Seeds are sown quietly; roots grow deep before anything appears above the soil. In the same way much of what God is doing here may not be flashy or easily measured, but it is real. Acts of kindness, steady prayer, shared meals, and faithful presence all have lives in ways we may never see.

Looking ahead part of our calling will be to nurture those seeds intentionally. That may mean trying new ways of reaching out while honoring the traditions that ground us. It may mean letting go of some things that no longer serve our mission so that we can make room for what God is bringing next. It will certainly mean continuing to listen to Scripture, to the Spirit, and to one another with humility and trust.

In the United Methodist Church, we often speak about making disciples of Jesus Christ for the transformation of the world. Here in Cherryville, we know that transformation often happens up close and personal. It happens in hospital visits and front porch conversations, in shared grief and shared laughter, in showing up again and again for the life of the community. Never underestimate the power of a church that loves deeply and lives its faith authentically.

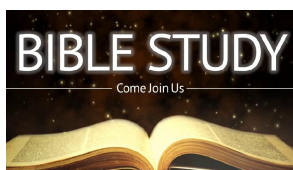

As we move toward this new year, I hope we will be a congregation that is not afraid to ask bold, faithful questions. What would it look like for our church to be known not just for what we do, but for how we love? Where is God inviting us to take leaps of faith? How might we create space for new voices and new leadership while honoring the wisdom of those who have carried this church for so long?

My prayer is that we will face the future with courage rooted in trust. We do not need to have everything figured out to take the next faithful step. God has never asked God's people for certainty only for faithfulness. When we walk together, guided by prayer and grounded in love, we can have full confidence that the Holy Spirit will continue to lead us.

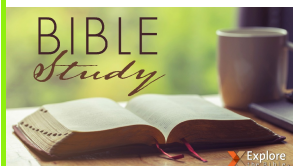

Most importantly though, thank you for your commitment to this church and to one another. Thank you for the countless ways you serve, often quietly and without recognition. Thank you for being the body of Christ in this place. I know that God has good work ahead for us, not because we are perfect, but because we are willing. Praise be to God!

Grace and Peace,

Zack Christy

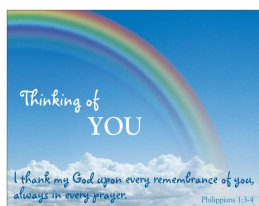

BIBLE STUDY with Pastor Zack will continue on Wednesday evenings at 6:30 p.m. in the June Medlin Classroom.

On Thursday, January 15, at 10:00 a.m. a new Bible Study will be meeting every other week at the home of Phyllis Thornburg. At our first meeting we will discuss

the topics we wish to delve into. We hope that you will be able to join us for this study.

"GREETING CARD OUTREACH"

Sunday, January 11

We will have cards available for signing on Sunday, Jan. 11 to send to our church family or

members of our church who are sick, or home bound, or who may be struggling. Also, there are many friends in our community who need some love. In an effort to reach out to others, there will be various cards available for you to sign for our shut-ins or members of our church or community on the second Sunday of each month. These cards will be set up on a table in the narthex for you to drop by and sign. The next "Greeting Card Sunday" will be Sunday, January 11, 2026.

The Backpack Ministry is in need of the items listed below of nonperishable items to put in book bags during the month of January.

We served 10 families at Thanksgiving, and 9 families at Christmas. On a weekly basis, we send home food to 9 families with a total of 25 children receiving food.

We received an email from the guidance counselor at Beam Intermediate, and he said "Let the church know that they may not always hear it publicly, but there are many families that have expressed how much this means to the ones who receive it. I hear it often when counseling with them."

The donations are much appreciated and much needed. I am so thankful that our church continues to serve this ministry. We have a dedicated group of packers each week. We wish to thank Susan Fraley, Jenny Emerson, Rhonda Ballard and Tim Pruitt for stepping up year after year to make sure that these kids have food every weekend.

Romans 12 SS Class News

The Romans 12 SS was formed in 2019. This class is made up of young adults and Parents of young children who aspire to live like Paul instructed in Romans Ch 12. They are the new generation of our church and they are laying the Christian foundation for their families. Sometimes we have Moms, sometimes Dads, sometimes couples...and many times babies in our class on Sundays.

This class was busy in 2025.

- We designated the remaining funds from our first fundraiser to the baby nursery for a little "face lift."
- These funds were originally used to replace the flooring in the Childrens Sunday school rooms.
- The class designed and sold FUMC T-shirts this year and all proceeds went to the playground fund.
- This group provided Christmas gifts for 2 boys with intellectual disabilities through "Operation Santa Claus" sponsored by the Arc of Gaston County.
- We also provided gift cards for gas and extra expenses to 2 young families associated with Cherryville Elementary who are currently battling cancer.
- During the holidays, we loaded up the church bus with our families and went caroling to several church families. The joy of Christmas was seen in the children's faces for sure!! They loved it.

Our church is growing with young couples and young families and the Romans 12 SS class would love to have you visit us any Sunday. As we enter into 2026, come visit the Romans 12 class. Come early or come late... we do not care ... Just come. You will be blessed when you come and blessed when you leave.

Our "Souper Bowl" Soup lunch will be Super Bowl Sunday, February 8, 2026. Always a fun lunch event, so mark your calendar. Details will follow soon.

Happy New Year!

KINGDOM KIDS KORNER

WOW! We are done with 2025! I feel as if it has gone too fast.

Our children have been working so hard for the Christmas program. The program was December 18th at 6:30. This is the first year since 2012 that we have done this play; "A Special Place for Santa." Our three-year-old class participated with the four-year-old class this year.

We called the Cherryville Area Ministries and asked where they still had a need. They said they needed children's toys. Our families and some of our church members rallied together and collected an entire trunk filled to the brim for local families in our community. I am beyond grateful for the outpouring of **(GOD'S WORK)** through them. So many children felt special, loved and not left out because of our amazing Kingdom Kids family. This is truly an amazing experience for all our students to learn what it means to give!

We were out of school for the holiday season starting on December 20th and returning on January 6th. We are so excited to start a brand new year full of wonderful experiences. Please pray for our New Year to be amazing!

After many hours of planning and years of fund raising, we have completed our playground upgrades. Our Playground Selection Committee along with the Trustees originally anticipated the cost of the upgrades to be around \$80,000.00. After the work began, these 2 committees saved the church almost \$10,000 by doing some of the manual labor themselves and we are so thankful for this savings. The total cost for the upgrades is anticipated to be

\$70,394.22 - cost for upgrades

\$61,022.22 - received from donations

\$9,372.00 - still needed to fund project.

The UMK's, Youth, Preschool and scouts are enjoying the improvements that are already in place. Please remember this fund when making memorials or special gifts to the church.
