To offer students an opportunity to research and present in an artistic manner, a message on the subject of the inherent dangers of alcohol, tobacco, illegal drugs or abuse of prescription and over-the-counter drugs with an emphasis on total abstinence as the preferred approach to these threats to youth.

General Plan. Initial contacts should be made in the fall with teachers and administrators at various schools and institutions with potential participants including public, private and Christian school students, Bible School class students, youth groups and home school participants. Each teacher or administrator should be provided with sufficient copies of this leaflet to assist in promoting the program.

Sponsorship. The official sponsor of the contest is the Woman's Christian Temperance Union (WCTU). All rules and regulations are at the sole discretion of the WCTU which supplies the judges and determines the awards. The decision of the WCTU judges is final.
