Dear Stephanie,

A special thanks to you and your dynamic team of tour guides for leading tours and talks of Little Haiti, Historic Overtown, Liberty City and Wynwood for our artists who are creating illumination projects for each neighborhood for Arts Walk 2017 on September 9th at the Adrienne Arsht Center.

You went above and beyond to accommodate our requests and made yourself available to participate and lead some of the tours. I appreciated the level of communication and professionalism you provided during the planning of the tours.

You ensured that our artists received a personal immersion in each of the neighborhoods by introducing them to local people and organizations we may partner with in the future. Your tours took us off the beaten path to experience parts of these neighborhoods most locals and tourists do not experience.

The perspective you provided of the people and neighborhoods helped to shift my perception and I look forward to visiting some of the neighborhoods on my own in the future.

It is my pleasure to highly recommend CHAT Miami to any organization or persons interested in experiencing the authenticity of Miami's heritage and multicultural neighborhoods.

Sincerely,
