CHARTERED JUNE 11, 1965

THE CIVITAN CREED

I AM CIVITAN as old as life, as young as the rainbow,
as endless as time.
MY HANDS do the work of the world and reach out in service to others.
MY EARS hear the cry of children and the call throughout the world for
peace, guidance, progress and unity.
MY EYES search for others to join in the fellowship and service of Civitan.
MY MOUTH utters the call to daily duty and speaks prayers in every tongue.
MY MIND teaches me respect for law and the flag of my country.
MY HEART beats for every friend, bleeds for every injury to humanity,
and throbs with joy at every triumph of truth.
MY SOUL knows no fear but its own unworthiness.
MY HOPE is for a better world through Civitan.
MY MOTTO: Builders of good citizenship.
MY BELIEF: Do unto others as you would have them do unto you.
MY PLEDGE: To practice the Golden Rule and to build upon it
a better and nobler citizenship.

SUNRISE CIVITAN CLUB OF SPARTANBURG

**Civitan International:
A Century of Service
1917 -2017**

1970-1979

The 1970s present new challenges and opportunities to all service clubs. Civitan makes a number of internal changes to face these challenges head-on. Four new departments, including Youth Activities, Growth, and Leadership Training, are established at the home office.

Civitan expands to Germany and Sweden. Rapid growth leads to provisional European district status. Korea and Japan soon open their borders to Civitan. The organization makes an even greater commitment to the study of mental retardation.

The now-familiar Candy Box Project is offered on an international basis.

New challenges always present opportunities for innovation. The 1970s see several inaugural events — the first Junior Civitan Sno-Do in Canada and in recognition of their growing influence, the first international president of Junior Civitan is elected.

In 1974 Civitan becomes the first formerly all-male service organization to welcome women as equal members. Another major Civitan interest gets its tentative start in the 1970s. Participation with Special Olympics at all levels of the organization will grow from a small spark to a bright flame, and Civitan once again finds its World Headquarters building too confining. A new building, built for Civitan's needs, is dedicated in 1976.

1980-1989

Service on a massive scale characterizes the 1980s. Special Olympics touches the hearts of Civitans around the world. Through contributions and volunteer hours, Civitan becomes a premier sponsor of the International Special Olympics Games — the only service club to do so. Civitan's ultimate commitment to people with developmental disabilities is expressed with an overwhelming vote to fund the Civitan International Research Center.

Membership reaches an all-time high during the decade. A program to charter Civitan clubs on college and university campuses wins approval and gets off to a rousing start, with the formation of Campus Civitan.

Women continue to find a place of service in all levels of Civitan. By decade's close, the first woman to hold the office of president of Civitan International, Polly Mooney, is elected.
