  The Society of
Chiropodists
and Podiatrists

As a HCPC registered podiatrist I am a key worker and therefore allowed to work during this pandemic including entering people's homes for medical reasons. I am following all precautions i.e removing shoes before entering houses, wearing a mask at all times including going into houses, wearing gloves, wearing uniform and no cardigan, also wearing a one-use plastic apron during treatment. I'm also limiting how many patients I go to, so maybe 3-5 maximum a day. I'm not going into any other premises/shops. And I don't work in any care-homes anyway.

If your feet are overdue for attention or if you feel that I can help, and you're happy for me to attend your home, please give me a call. I look forward to hearing from you.
