

# The Art of Reading Body Language

From Our Professional Development Series

**May 7, 2021**

**8:30am - 5:00pm**

*Have you ever wondered if someone was not telling you the whole truth?  
Is it possible to know if someone is deceiving you or maybe agrees with your ideas?*

The answer is YES, you can be taught how to read body language in order to detect feelings, honesty and intent. Mr. Reisen has taught hundreds of people how to read and *influence people through nonverbal communications.*

People who have benefited from this training have been Fire Investigators, Law Enforcement Officers, Probation Officers, Human Resource Personnel, Hiring Boards, City and County Officials, Attorneys, Poker Players, Union Leaders and Business and Community Leaders. Join us for this one-day training on how the human brain cannot hide its emotions through the *Art of Reading Body Language.*

**Course Fee: \$300 per participant - seating is limited**

Fee includes one-day registration, refreshments, and The Art of Reading Body Language manual.
