

2016 Twisted Oak Shoot

Friday practice day was hot and humid; providing plenty of mirage for those who came to practice. However, that did not get in the way of visiting with old friends who came to shoot.

Saturday dawn brought fog. Fog so thick that you could not see the target frames much less clays on the board. But, after a short delay it cleared up and let the shooting begin. Conditions started great. No wind, no mirage, and mostly cloudy. Shooting was hot and heavy as a number of competitors cleared their first two boards handily. But as usual, "Mr. Condition" jumped up and caught all but a few of the good shooters. In the end, two shooters flirted with a perfect score for the day.

Both Gary Worlow and Tim Beasley finished the day with a fine 980 score but Gary prevailed for the win by breaking one more medium clay than Tim. Great shooting Gary and Tim.

Tad Emert scored 920 for third place. Steven Samuel scored 910, and Sam Duke scored 900 to round out the top five places.

Thank each and every one who came and shot. There were several new shooters at this match. We hope you all enjoyed it and will come back again and again.

Note from Joe:

The food was outstanding and I would like to give a shout out to all the cooks who prepared it. Alton cooked the brisket, Kari did the sauce, potatoes, salad and the cakes and Johnny did the chicken and sausage. You all did great!
