

Harvey Russell

Born March 24, 1979. Started my full time ice carving career in 2004 in St. Louis, Missouri at Ice Visions under David VanCamp I have since sculpted around 15,000 blocks of ice and taken multiple 1st place trophies at the Fete de Glace carving competition in St. Charles, MO. I've also competed at the National Restaurant Association Convention in Chicago making it into the semi finals. I've sculpted in Niles, Michigan for their annual festival as well as in Minneapolis, Minnesota for the 2018 Superbowl. Along with carving ice I've been making and selling ice sculpting rotary tools and chisels for about 7 years and my services can be reached via icemantools.com.

Before carving ice I earned an associates degree in the culinary field and worked in various country clubs where I'd take every chance afforded me to sculpt fruit, vegetables and the occasional ice block.

Before any of that I was a roller derby jammer on the Florida Sundogs team for the World Skating League. Roller Jam was the name of this TV show that aired on TNN between 1998 and 2001. I was #7 the 1st season and #11 the second.

I am married and have 3 children ages 10, 6, and 4.
