STEERS 1980

**MAGDALENA HIGH SCHOOL
MAGDALENA, NEW MEXICO**

1980 STEERS ANNUAL DEDICATED TO MRS. BARBARA BOWMAN

The 1980 annual is dedicated this year to a woman who has taught us much, and who continues to teach us even tho she is no longer in Magdalena.

She is now fighting a battle that may go on for the rest of her life. We must not let her fight alone.

Barbara was thrown from her horse in the spring of 1980 while riding after school in the foothills. She was discovered some time later by the Magdalena Search and Rescue Team, and was rushed to the hospital in Albuquerque suffering severe head injuries.

She was not expected to live.

After extensive brain surgery, which she survived, she was not expected to fully recover.

Barbara is now out of the hospital and on the road to a full recovery. But it isn't easy.

We all know Barbara as a dedicated, hard working, optimistic person who refuses to give up or to be beaten. While coaching in Magdalena, she molded a group of girls who won very few games, into a competetive volleyball team. Despite numerous setbacks and a general lack of support, she kept on pushing. She worked tirelessly with both the track team and the junior high girls basketball team.

She brings that same dedication, hope and hard work to her fight to fully recover from her devastating injuries. But she needs her friends to help.

It is only right that we should try and give back a little to one who has taught us so much about life and about living.

Everyone ends up dirty, smelly and tired, but there's nothing like a good old fashioned Freshman Initiation to get the school year off to a good start.

Initiation has been going on a long time in Magdalena, as far back as anyone can remember, and old traditions die hard.

Right: Roy Otero gets ready to "bat her up" on Vonna Wasser and Kathy Blomquist.

SUPERINTENDANT OF SCHOOLS, MR. MICHAEL DICKSON

To the staff and students of Magdalena High School,
Another year has come and gone. Some of you will be
leaving to try and find your niche in the world. I hope
you will treasure your memories of school days here in
Magdalena. God bless you.

SPRING CARNIVAL

ANNUAL STAFF COMES, GOES

It's funny how we always want to have things, but not enough to really go out and go after it. The 1980 Steers Annual is like this. Everybody wanted it, but few were willing to work to bring it about. Nobody wanted it enough to work the entire year on it. Making an annual is hard work. It takes six or seven people, working for two or three hours a day, every day from September until March to get it finished. Maybe that's too much. Apparently everyone in Magdalena High School this year thought it was. Pictured below is the person who worked the hardest and did the most for this year's annual. Marcella Cooley didn't even attend school here this year. The names of others who contributed bits and pieces are listed around the picture.

BOXING IS A BIG HIT IN MAGDALENA

Will the next Sugar Ray, Roberto or Ali come from Magdalena? He will if the Magdalena Boxing Club, and their coach, Floyd Mansell, have anything to say about it.

Several of MHS's young men are doing their fighting in the ring, after school and in competition across the state.

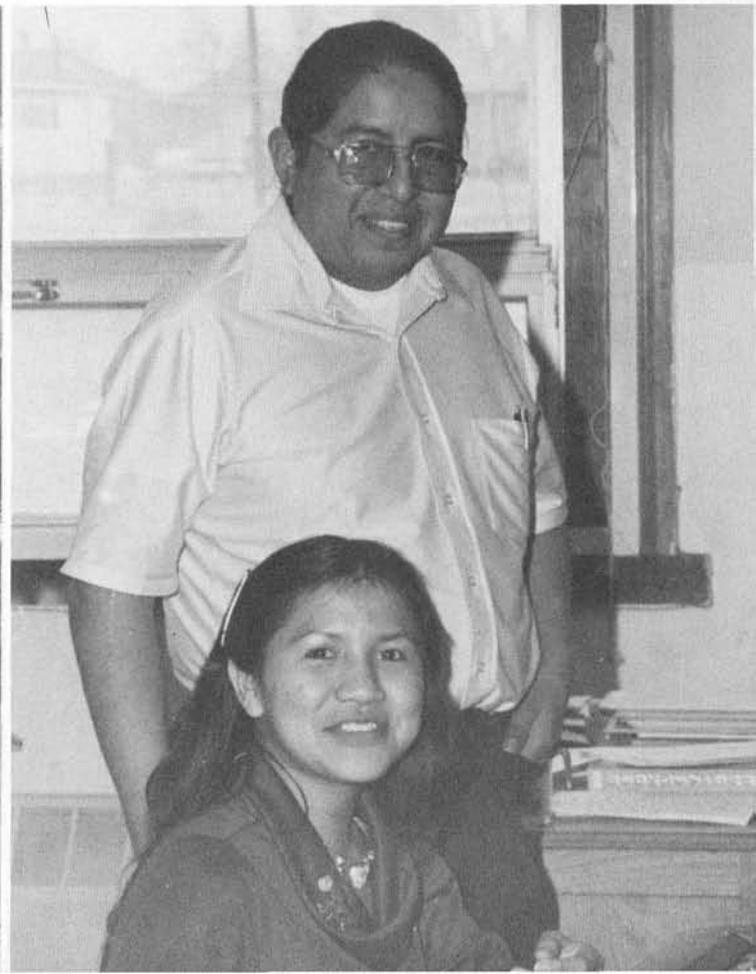

The Club gained a measure of fame in 1980 when Baca and Phillip Mansell at the Police Athletic League meet in Albuquerque.

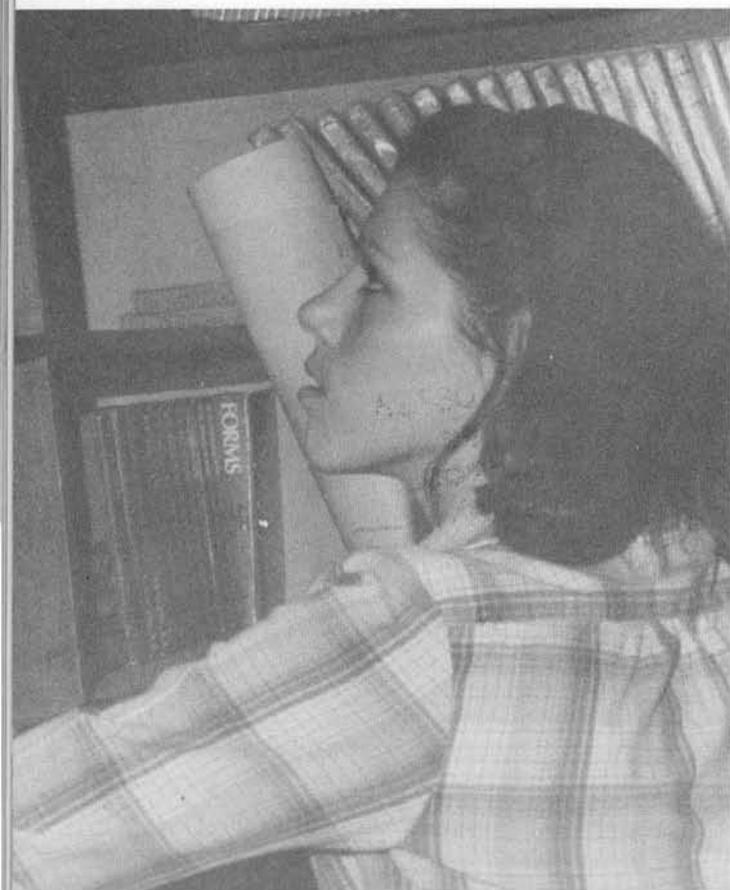

Another Mansell, Shaun, pictured at left, was runner-up in his weight class at the state Golden Gloves meet in Roswell

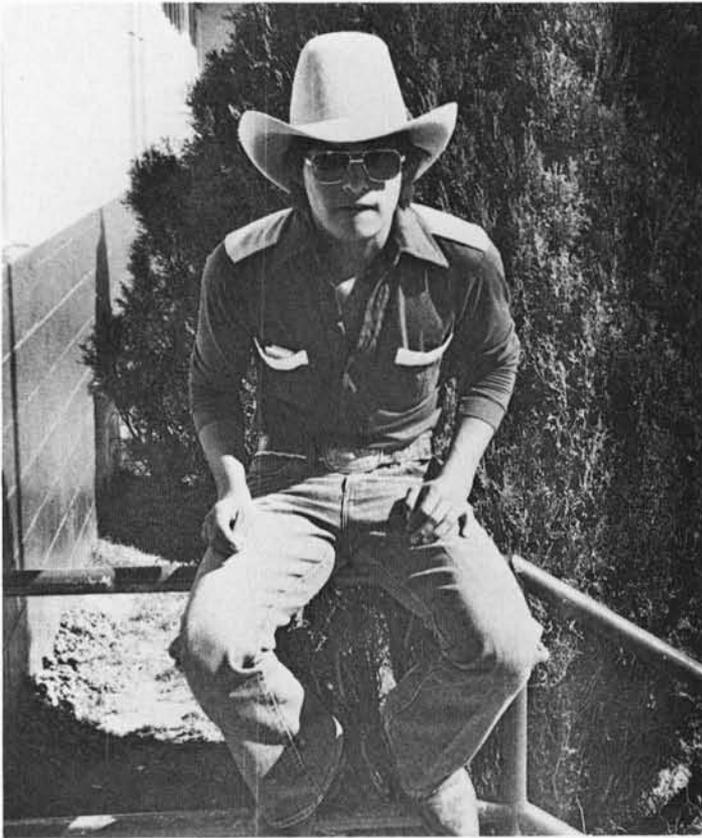

Best of luck to the aspiring pugilists.
