### SAINT MARY ANN OF JESUS OF PAREDES Feast Day March 6

Here is a story of a little known saint who lead a short life that didn't include dragons or huge miracles. She was raised in Ecuador when under Spanish control in 1534. She joined the Secular Franciscans after leading a life of prayer at home performing charitable works. Many spiritual works were also attributed to her. She went on to establish a clinic and a school for Africans and indigenous Americans in Quito. When a plague broke out, she nursed the sick and died of the plague. She taught us by her life however that if our self-denial does not lead to charity, the penance being practiced is for the wrong reason. Her penances made her more sensitive to the needs of others and more courageous in trying to serve those needs and in the process grew close to God and his people during her short life.

### Mass Intentions Of The Week

We ask you to hear our special concerns and to place our needs before your Son who you nurtured and cared for with all your heart. THURSDAY, MARCH 4, 12:05 PM: **That the world may respond to the infinite mercy of Jesus in repairing the many problems of our weary world.**
