Ms. Lone Eagle discussed how well the food pantry was doing.

She welcomed Shalome Jimmy as a new staff member in Enrollment. Ms. Lone Eagle received Ms. Eller's report for the January 5, 2021 Enrollment meeting. The next meeting will be as needed. There are currently two people on the Enrollment Committee. One person has resigned. There was a resolution for Enrollment which was tabled until February.

There was a meeting on January 5, 2021 with the Enrollment Committee of Melissa Eller, Utahna Romero and Christine Gonzalez. There were three enrollment applications reviewed. There was one adult application which was approved and two for children which were missing information. Ms. Romero brought a letter to the committee and officially resigned on January 4, 2021.

Ms. Lone Eagle also reported that she checked in with Ms. Youmans and came into the office after hours as needed. She received an email from a member with distance learning children. They asked about delivery on keyboards for tablets and ink for the printer.

Another member, a child, switched schools to one with distance learning. They cannot do distance learning because they do not have a laptop. The question raised was if there was one available for their use. Ms. Quinn remembered that NRD has some older
laptops. They replaced laptops a little at a time. There should be four or five of them that would be useful for students or word processing although not suitable for NRD software and programs. She would be glad to give them over for learning, etc. for members. Ms. Quinn said there are already two members on a list already. NRD will find the box the laptops are packed in.

**Vice-Chairwoman Nedra Crane** reported that she attended the January 5, 2021 Enrollment Committee meeting and the January 9, 2021 Special Council meeting on Housing. She was going to attend meeting via Zoom regarding Naval Air Station Fallon, Nevada but it was postponed until January 27, 2021.

All the new programs started January 1, 2021. Policies are done and ready to go.

Pyramid Lake holds OSHA 30 and MSHA Training available for SLPT to attend. Ms. Youmans would like to have her staff attend OSHA training. Mr. Crane said that MSHA
was also a good program. Salvador Del La Luz is interested.

Ms. New Moon has been updating the Facebook pages she handles.

She is hoping to get a Cares Grant from Wells Fargo for Housing.

She completed the online job reference process for Kristin Rodriguez. Ms. New Moon wishes her well.

Ms. New Moon wants to promote the Sports Program.

**Enrollment Report by Shalone Jimmy**

Ms. Jimmy did not send the Council the resolution for the one approved enrollment application.

She is trying to keep the Tribe compliant with the BIA. The Enrollment office is up and running. Progeny is being updated by entering the 16 memberships which were previously approved. Some applications need some clean-up. Ms. Jimmy is working with the Enrollment Committee. There was no follow-up or correspondence found. She sent letters of approvals to the new members and informing them of the procedures to get Member IDs.

There was one complete application. A few address changes came in to the office. Ms. Jimmy sent out eight new applications, some of which were for clean-up purposes.

Ms. Melissa Eller entered the meeting at 8:59 am.

The contact at the BIA is Norma Moyle.

The updated Base Roll requires a resolution to be official so it can be sent to the BIA.

ICWA: Ms. Jimmy stated she was a bit out of the loop but did a report for the BIA. She will get caught up. She is trying to see what needs to be done or corrected.

Ms. Lone Eagle discussed some previous issues with Tribal ID’s. There is a possible reason for information not being on the desk top due to computer upgrading. It will be a big catch-up game. Ms. Lone Eagle also mentioned the last Enrollment Coordinator would be available to answer questions.

Ms. Lone Eagle explained that some Tribal ID’s have no expiration date, no updates. Ms. Jimmy will be asking for verification of identity before updating or requesting ID cards. Ms. Eller suggested sending a letter to the membership that if the Member
wishes to have an official identification card, an expiration date must be on the ID card.

The Narrative report as well as the Quarterly report for the BIA were completed.

Ms. Crane asked why there were non-members on the Base Roll. Ms. Jimmy explained it was to show lineage-family tree.

Updated Base Roll:
There was a discussion about what is to be on the 2020 Year End Base Roll. This will require a new resolution.

**MOTION:** Vice-Chairwoman Nedra moved to accept and approve Resolution SL-06-2021 Certification of the 2020 Year End Base Roll with a waiving of the reading. Ms. Jimmy looked forward to the new year and making things run smoothly. In reviewing the tribal website, she saw that forms need to be updated with the new address. Ms. Quinn will assist Ms. Jimmy in accessing the website so she can make changes.

Ms. Lone Eagle is still getting ICWA mail, etc. There is now a second ICWA case involving a Tribal member where a child was removed from the father.

SLPT is getting more members wanting to be engaged. They should work as a team.

Ms. Lone Eagle called a ten-minute break at 9:32 am.

Council returned from break at 9:51 am.

**Finance Report by Linda Quinn**

**Personnel/Staff Openings:** There was a discussion of a new position for Tribal Coordinator. Enrollment position funding must come from CPTG. The Tribal Coordinator position is more of a Council secretary job with grant research and writing; policy correction and updating with proposals and/or recommendations.

There was some discussion on combining the two part-time jobs, Enrollment and Tribal Coordinators. It was decided it was not a good idea. Ms. Jimmy would be willing to look at the full-time Finance Clerk position.

It was noted that the Finance Director has been shouldering a lot of administration. A
Tribal Coordinator would help. Ms. Crane felt this was unfair that one person should be asked to fill-in all the time. Ms. Quinn said this is in the past and to move forward. A flyer will go out requesting new Enrollment committee member(s). It is the consensus of the Council to post the Tribal Coordinator and Finance Clerk positions for the two-week Native preference period before opening it up for all.

**Tribal Budget Formula Request Annual Response:** This is the needs and wants of the Tribe. It uses the same form as last year to set the priorities for the coming year. The Council and staff discussed the priorities set in 2020 and the current priorities. Some items had priorities rearranged for 2021.

**Use of Pyramid Lake Paiute Tribe Dump for 2021:** In the past SLPT has used the Nixon dump. The office has the use of the HOA provided large waste receptacle. **Liberty Mutual Audit for 2020:** Ms. Quinn discussed the Workers Comp insurance audit.

**Quarterly SF-425’s:** All Quarterly SF-425’s for all grants requiring quarterly reports have been completed. They were sent via email with hard copies mailed to the BIA on January 15, 2021. Indirect has not been posted at this time.

**Budget Summary:** Ms. Quinn went over the budget. The CARES Act funds were all spent. 80% of these funds went to the Tribal members. All late requests have been processed and went out the week of January 15, 2021 from Fund 30, Ramah.

**ITCN Fund 112:** Fire tablets for children 2-12 years of age need to be sent to the newest members. There should be 16 new children. Ms. Quinn needs the addresses of the parents to send letters. Ms. Jimmy can get the information for the children who are eligible. Ms. Eller will also help.

**NV Energy:** NV Energy credited the SLPT now account in error instead of crediting the Tribal member who was being assisted. The matter has been resolved and the proper account credited.

**FYI:** President Biden has announced additional funding planned with $20 billion of support for Tribal governments including vaccine shots.

**Census Bureau:** The Census Bureau is planning a Tribal Consultation to review the use of differential privacy in 2020 Census data products before making their final decision. Sample questions are given. This will be a listening event on February 18, 2021 via a dial-in webinar. Ms. Crane and Mr. Crane will try to sit-in and participate.

It was noted that funding is never guaranteed and is subject to available funds. Ms. Eller asked that membership be notified in writing of the availability of Higher Education funds.

Ms. Jimmy was excused from the meeting at 11:55 am.
