ALLANTE FRee[®] Formulation
From Morbern*

ALLANTE FRee[®] vinyl is void of flame retardants, antimicrobials and phthalates, but filled with performance features. The vinyl surface has a luxury grain with the look and feel of supple leather and is highly cleanable with prompt and gentle washing using a soft cloth with mild liquid soap and warm water, followed by rinsing with clean water. ALLANTE FRee[®] meets the flammability requirements of TB 117-2013 (Sec. E), NFPA 260 and UFAC Class 1 testing.
