

# Essential Reptile Emergency Kit

---

1. Insulated Box
2. UniHeat Warmers
3. Temp Guage with Probe
4. Snake Bag
5. Substrate: Paper Towels, Newspaper, Fleece, Etc.
6. Bottled Water
7. Supplements such as Calcium & Vitamin D
8. Non-Toxic Baby Wipes
9. Small Food & Water Dish
10. Hand Sanatizer
11. First Aid Kit
12. Packing Tape (to secure heat packs)
13. Additional Non-Perishable Food: Pangea, Repashy, ProBugs, etc.
14. Deli Cups with Vented Lids (smaller animals in cups/cups in a larger box to minimize amount of boxes & heat packs needed)

For longer term evacuations, have a Bug-Out-Bin and add:

1. Small Heat Lamp with a Sturdy Clamp or Stand
2. Coil UVB Bulb & Fixture (coil not recommended long term)
3. Perches for Arboreal Animals
4. Plastic Bin for Temporary Setups/Kit Storage
