

LETTER OF SUPPORT

To whom it may concern,

I am writing to express my warm and sincere support for the Belgrade Cultural Association (Known as: Kulturna asocijacija Beograda) in the context of their interest in the Creative Europe – Circulation of European Literary Works programme.

It is with great pleasure that I acknowledge the Association's distinguished reputation as a dedicated and effective facilitator of international cultural dialogue. Over the years, they have cultivated a commendable track record of fostering meaningful connections across Europe's diverse cultural landscape. Through their initiatives, they have consistently brought together artists, literary professionals, and cultural institutions, thereby nurturing a spirit of collaboration and mutual understanding that is essential for our shared cultural future.

The Belgrade Cultural Association's demonstrated commitment to artistic excellence and cross-border partnership aligns naturally with the values and objectives of the Creative Europe programme. Their established networks, professional approach, and deep cultural insight position them as a capable and respected actor in the field. I am confident that their participation would bring valuable perspective and contribute positively to the programme's mission of strengthening Europe's cultural fabric.

I therefore offer my endorsement of the Belgrade Cultural Association (PIC: 867006662) and trust that their proposed endeavours will be met with the consideration they deserve.

With best regards,

MICE Director
