

Hi, everyone.

Today we started a new lesson, lesson 8. I would like you to practice writing characters, and practice reading aloud words and text in this lesson. You have 2 homeworks listed below.

1. Writing exercise.

The writing sheet is named "WRITING-LESSON8", and is in the shared folder "L1B-WRITING".

Or, you can choose the other writing task, which is writing the words in textbook page 27. Each word repeatedly write five times. This is optional homework.

2. Practice reading aloud.

Please read aloud new words/phrases and text in Lesson 8. Practice reading aloud at least five times.

The audio file "L1B-Lesson8Text" is in the shared folder "L1B-READALOUD-TEXT&VOC".

Enjoy your week.

See you Sunday.
