

## RECENT SAAA COMMUNITY PROJECTS

One of the objectives of the Southern Asia Adventist Association (SAAA) is to create opportunities for its members to serve in the community. In keeping with this objective, several projects have been organized for members to help bring hope and help to less the fortunate in our community. Described below are projects SAAA has sponsored in 2015.

**FEEDING THE LESS FORTUNATE:** SAAA members prepared and served meals at Sarah's House, a housing program offering emergency and transitional housing for homeless families. The families expressed much gratitude. But the joy of serving others truly was ours.

**THANKSGIVING MEALS:** Through the generosity and contributions of many SAAA families, SAAA members will be preparing and distributing Thanksgiving baskets to needy families in the area. These less fortunate families will be blessed with a bountiful Thanksgiving Meal.

**COAT DRIVE:** As winter approaches, members of SAAA are challenged to bring their unused coats to be distributed to the homeless or those in need to stay warm. These coats will be dry-cleaned by the Projects Committee and delivered to the less fortunate.

### OLD TIME FUND RAISER FAVORITE

**TILLS:** As a result of the vision of an SAAA member, tills for kids were purchased for all SAAA members to take home and fill it up with coins and notes. Even with children all grown up, families have taken a till home to fill it up in the spirit of the kid in them! These funds will be used for the Building Program. All of us doing a little something can add up to big things because we believe God will Bless and Multiply our efforts.
