	25 Painting With Pastels	26 Rainbows	27 Rainbows	28 Out Like A Lamb ...	29 Out Like A Lamb	

Dear Parents,

Ahhh... can you smell it?..... Spring is in the air! Well, if it isn't yet, it will be soon. March brings with it all the excitement and anticipation of what's to come. Nicer weather, longer days, singing birds, and blooming trees. What a great time of year! During the month of March, we will be talking about Dr. Seuss, the color green (for St. Patty's Day) , and a few things that go along with our new season... SPRING. If you have any Dr.Seuss books you would like bring in to share, we can read them at story time.

Our favorite things to do right now:

- Playing "house" and taking care of our babies.
- Making food for each other, cook in the microwave and put things in the oven. We even cook tools, phones, and an occasional farm animal...Yikes !!
- Matching colors and objects
- Typing on the keyboard
- CLEANING...we love to wash the tables and chairs and wipe down shelves. Give us a wipe or paper towel and we're happy

** Don't forget our Dr. Seuss week...March
4th -8th

Ms Carrie :)
