### Shirley Reber (Why I Love Sunrider)

It has been nine years since I was introduced to Sunrider. I had tried other products without seeing any benefits, but I was impressed with the Philosophy of Regeneration®. It made so much sense to me. So, I decided to give Sunrider a try! I am so glad that I did! I love my Sunrider® “meals” (NuPlus®, VitaShake®, Quinary®, SunnyDew®, and many more) each day and I drink Calli® and Fortune Delight® throughout the day. I have more energy and feel better than I have in years! People say that I look much younger too!

I have always had problems using any kind of skin care products and color cosmetics on my face. My face would break out with a bright red rash and feel like it was on fire if I used anything but water. I tried so many different brands, ones that were very expensive to not so expensive, and I could not use any of them...then I found Kandesn®! I now have no makeup induced rash and my skin feels soft and smooth and healthy! I use my Kandesn® skin care and hair care products everyday!

Then there are SunSmile® products. I love the SunSmile® Herbal Toothpaste, Fruit & Vegetable Rinse, SunSmile® Tabs, and on and on! And I can't forget the SunBreeze®! I can't even imagine not having this wonderful product! I use it all the time for many things.

I have tried almost all of the Sunrider® products and I haven't found one I didn't just love! I don't ever want to go without my Sunrider® products! They have changed my life in so many ways.
