You are hereby required to notify and warn the Inhabitants of the Town of Baldwin, in said County, qualified by law to vote in town affairs, to meet at the Baldwin Town Office on Tuesday 2 May 2023, at 6:00 o'clock in the evening, then and there to act on the following articles, to wit:

Norman Blake was nominated and elected as moderator.

ARTICLE 2. To see if the Town will vote to allocate \$1081.59 of the Town's ARPA funding to reimburse the Contingency Reserve Account for funds spent on repair of the Community Center water system. This is to supplement the \$30,000.00 already approved.

The Select Board recommends passage of this article

Moved as read and seconded. Article is accepted.

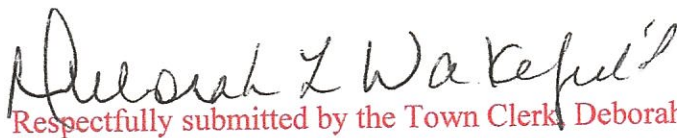

ARTICLE 3. To see if the Town will vote revise the River Road Reserve Account rules to read: "For upgrading the gravel portion of the River Road to pavement and associated preparatory work or other River Road maintenance or repair. Expenditures from the fund shall be requested in writing by the Road Commissioner and approved by a vote of the Select Board. The Target level will be set when identified in a Town Road Maintenance and Repair Plan."

Moved as read and seconded. There was some discussion about when the town would start any work and the selectmen stated that it wouldn't be for awhile as we do not have enough funds to pave, but we can repair with funds we already have. Article was accepted.
