*'I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around [the banks] will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered. The issuing power should be taken from the banks and restored to the people, to whom it properly belongs.'* -Thomas Jefferson, 3rd president of USA 1743 – 1826

The purpose of this study is to highlight the timeline specifically counting the 14 'steps' of time since 1776 and precisely the 7-year Sabbatical Cycles since the U.S. Coinage Act of 1792. The emphasis will be narrowing down the 'Prophetic Week' synchronizing with the 70th Sabbatical Cycle since the War of Independence of the modern State of Israel. This Sabbatical 'Code' will start the 33rd cycle since 1792 which correlates to the Jewish year 2023. What this book is proposing is that in 2024-25, the New World Order is to start. This means that the USA will need to 'finish' or implode as the 'Phoenix' for the new to rise.

The narration of the text will have a 3rd person point of view. All numbers from one to 10 will be numerated for emphasis. Certain words or phrases will be capitalized or italicized for emphasis and not all grammatical rules will be followed. The 7-Year Sabbatical Cycle initiated the year 5776 or 2015 that many attributed to as the Year of Light. Perhaps then, it could mean that in 1 last Sabbatical Cycle remaining, the end of the Church Age also occurs before 2025 and start the beginning of the coming New World Order around the Fall of 2025. This speculative convergence could see the initiations to the rise of the New World Order, the AntiChrist and the building of the 3rd Temple that this book suggests the 33rd Sabbatical Cycle pattern conveys.

This conjecture is based on the encrypted 13 step period of time as depicted in the Masonic Reverse Seal of the USA since 1776 that was completed in 5776 or 2016. The 14th 'Capstone' then remains. This book will suggest that possibly, the Masonic Luciferian Great Work will converge with Jesus's 'Great Work' of competing His Spiritual Temple, i.e., His Bride. The study is based on the Sabbatical Cycle Theory that has been perhaps encrypted in the very symbols of the American Republic, hidden in plain sight. The premise of this book is that the Luciferians have incorporated such a Spiritual Principle into their Economic Timeline of America of when perhaps it is to implode or fall economically to allow the subsequent New World Order 'Phoenix' to rise. There has been a cabal that has usurped the American Political and Economic Apparatuses.

## Hidden Sabbatical Code

It has been synchronized to a similar timeline to the World Markets and specifically for the USA to run its course. Thus, the Sabbatical Cycle Pattern since 1776 and 1792 appear to be 'clocking' America's lifespan; its beginning, climax and doom designed by the Luciferian Kabbalists. Their conspiracy is to initiate their next New World Order out of the ashes of America imploded 'Phoenix'. There have been no Economists that have plotted this theory of the 7-Year Sabbatical Cycle of time since the Coinage Act of 1792. This study aims to crack this code as it pertains to America's apparent last 33rd Economic Cycle, 1792-2023.

The formula is as follows. There are 33 cycles of 7 years that then total up to 231 years. If 1792 was when the countdown started, then 2024-25 would be the initial year. Interestingly, a Total Solar Eclipse marks the 'X' in the USA in 2024. Up until the Revolutionary Era, the main currency of the American Colonies was the Spanish Reales that were for the most part minted in New Spain or Mexico. The following are some day counts related to the Act.

*From 1776 Declaration of Independence/Illuminati to September 13, 2015 (5776) = 239 years*

*5776 + 7-Year Sabbatical Cycle = **2023***

At that time, the USA had no Central Bank or a private 'Federal Reserve' that Thomas Jefferson had warned about. It was Hamilton that was pro-Bank of England. In the USA, the printing of money is the sole responsibility of the Department of the Treasury to issue Currency, interest free to its own Government; backed-up by Gold and/or Silver. In fact, the standard was set to be at '311 1/4 Grains of Silver or the equivalent in Gold.' It has since devalued from the 1980s from the set .77 ounces of Silver since 1792 to currently only .02 ounces to virtually nothing.

President Johnson in 1965 eliminated the Silver from the U.S. Coinage. The year 2015 was the 50th Jubilee Year since 1965 when Johnston made this historic Executive Order. It has diminished the value of the fiat U.S. Dollar ever since. Realize that the U.S. Dollar is backed by nothing and now worth less than 5 cents of its intended Purchasing Power. In 2015 the privately owned and run Federal Reserve reached 102 years old. It is an international conglomerate of Central Banks that are not American and boasts to be the highest law of the land without oversight and auditing by Congress.

This study suggests that these Banksters have pegged their economic manipulation of the markets to the 7-Year Sabbath Cycles of time as they did in ancient Israel because they are one in the same. For the most part, they are the Money Changers as Jesus called them. At the end of the 50th Sabbatical 7-year cycle, all debts and properties were to be returned. An Economic Reset was to occur to ensure no Economic Collapses occurred and that Debt or Slavery was not to continue in perpetuity. Historically, Israel's Elders did not abide by these stipulations of YHVH. And due to their greed as a consequence, collectively all of Israel was exiled from the Promised Land for the 7 Sabbaths of time or 70 years accrued since Israel crossed into the Promised Land. For Israel, the Jubilee Year Cycles of time started from when the Israelites crossed the Jordan River and entered the Promised Land circa 1414 BC.

But only after a full Agricultural Cycle passed as Year '0'. Today, this same 'Debt' towards YHVH has largely been incurred by such Money Changers that are in charge of hijacked economies; in Israel as it has been now the case in the USA and the rest of the World. However, it will be YHVH's People that collectively will suffer because of these Temple Money Changers. To reiterate, the Sabbatical Code as it pertains to America's origins reveals that such Luciferians and Kabbalists have conspired to 'clock' America with the economic 33 Crash Cycles of 7-Years respectfully to usher in the Economic, Moral and Social collapse of America; the Fall of the 'Phoenix'. Evidence? Many are convinced America has crossed the point of no return with formalized and legalized Homosexual Marriage and over 70 million Aborted Babies.

So, it will start with the 33rd Sabbatical Cycle by 2023. This event will allow for the rise of the New World Order. For that matter, as far as the USA is concerned, its 'New Morality' redefined and Spiritual Paralysis has facilitated this. America has not honored YHVH to the very end. What was interesting as 5776 or 2014-15 commenced was that the major Pilgrimage Feasts of Passover and Sukkot were tied to the Blood Moons of the Tetrad. Furthermore, between Feast of Trumpets and Yom Kippur 10 Days of Awe saw a dress rehearsal of the Virgo Sign of Revelation 12 symbolism that happened in 2017. The following are the Biblical stipulations for each Feast of YHVH. Interestingly in 2015, the 9-11 date was on a Friday, the last day of Stock Market trading.

Disgustingly the day is called 'Patriots Day'; a joke of how 9-11 was to target the Patriots in America. What is noticeable in cracking the code of the 33 Sabbatical Cycles is that the 2014-15 Sabbath was not only the 7th of a 7-year Agricultural Cycle as described in the Torah, but it coincides with the 13th Cycle of time since 1776. It is the time when the USA rose as a promising Republic like no other in Human History. Thus, the premise of this book is that the 14th 'step or 33rd Sabbatical Cycle is when the Fall of the 'Phoenix' or America will be completed perhaps. Will the New World Order Republic after the 'Atlantean Order' see the eventual countdown to 2023-24 as the end of the Masonic 'Great Work' and fall of the American Phoenix in the completion of the capstone? Moreover, will such a year also see the convergence of the end of the church Age that occurs with the Rapture event? Many believe that 2001, 2008, 2015 and then 2022 which are Shemitah Years are the countdown to America's judgment as it is a benchmark since the Coinage Act of 1792 by 7 Sabbatical Cycle of 33 years.

## **Sabbatical Countdown Cycles**

Will it be a turning point, a transformation, a transition and a release as in the end and a beginning of Biblical proportions? This book suggests that it will involve a transformation, a transition for both the world and YHVH's People, i.e., the Rapture perhaps for Followers of Jesus as the 'time' for both to have come to an 'end' as with the present World Order.

Based on prior Sabbath Cycles, the last and most drastic transition will perhaps occur after the 7th cycle or by the Fall of 2023. As noted, what will be dramatic and intensified is that in 2015, the Sabbath Year was the 7th Cycle of 5776, and the 33rd concludes in 2023. In particular, since 2001 and 2008 the patterns also suggest a 3-2-1 countdown to not only the U.S. 'Reset' but a worldwide one at that. What many have warned is that the world economic crash by 2023-24 will be the most severe as that is what it will take to 'implode' the Old 'Phoenix' to have the New Phoenix born from its ashes. This is according to the Luciferian Game Plan for their New World Order. Why?

The USA is the last remaining 'Bastion' of Freedom, what is left of any. So, the timeline presented is on one hand, based on the Jubilee Year countdown from 1792 is in approximate phi ratio of time from Israel's independence in 1948 and then the one to start the 33rd 7-year Sabbatical Cycle. Conversely 7 Cycles of 49 Jubilee Years approximates the time the USA rose to power. Based on the laws of 7, many conclude that the coming Sabbatical Cycle will be a 7-fold intensification since 1966 will be a judgment to rebalance and recalibrate. What is left to complete this cycle is the fulfillment of the 33rd Sabbath Cycle that begins Daniel's 70th Week of Years. This means then that perhaps 2025 will be the transition to the 'New Beginning' or 'Reset'.

As noted, because this 7th Sabbath of time was the Jubilee Year since 1967, the intensification of the judgment will be 7 times stronger. This is why the Pentagon; the UN the U.S. Governmental Agencies have been 'prepping' themselves with weapons for such a calamity. Perhaps these are reasons why the U.S. Military trained to 'Master the Human Domain'. A collapse is coming, it has been shown that the Sabbath Cycles are tied to the Economic Crash Cycles. And they have been a curse and not a blessing for America. These Crash Cycles have nothing but Collapses, Wars and Economic Resets that have advanced the Luciferian Schedule and rise of their New World Order.

Most noticeably in the Modern Era, the New World Orders were the League of Nations in 1919 after World War 1 and the United Nations after World War 2. The coming last Luciferian New World Order will come as a result of the planned World War 3 in the Middle East. Based on the evidence, facts and repeatable Sabbath Cycles, the Worldwide Economic Collapse has already started. This could possibly lead, in tandem to the World War that most probably will involve a Nuclear Exchange of sorts that will set the stage for the New World Order AntiChrist. After this worldwide Economic Collapse, the New World Order will succeed at establishing a new Digitized Monetary Unit and a 'Grid' that all must be part of in order to 'Buy or Sell'. This final Luciferian Order 'Phoenix' will be Lucifer's attempt at uniting Humanity as Nimrod attempts to surround his Tower of Babel with the World.

This will mirror how the coming AntiChrist will attempt the same scenario. Perhaps America's Freedom Tower that is 1776 feet tall was a precursor and 'Sign'. In the current Order, the means to the end has been orchestrated through the Keynesian Model of a Debt Service Economy that only works if a GNP growth is sustained on average over 3 or 4 percent a year. Eventually, world GDP's need to come to a halt to 'Reset'. One of the contributing variables might very well be the U.S. Dollar collapse that is mathematically certain. Most Expert Economists even believe real unemployment levels are above 25%.

Shockingly now in the USA, the average minimum aged Worker is 36-year old. The average U.S. Household Debt Amount ranges from \$10,000 to \$30,000 Dollars. Most do not have at least 10% in savings or reserves, and most are but 2 weeks away from starvation as food and water will be running out during such an Economic Crisis. The average Debt a U.S. College Student leaves college with is around \$30,000 as well with no prospect of a well-paying career for life type of jobs and with University Degrees that are virtually useless.

In 1929, 90% of Americans lived in rural areas where they could sustain themselves off the land and only 10% lived in cities and the Government had virtually no Debt. Despite these statistics of the 1929 Crash, it is estimated that several million nonetheless starved to Death. Currently it is the opposite statistically for America. So, cracking the Sabbatical Code of time for America suggests that an end of 'Economic Time' has converged on the Sabbatical Year Cycles. Why? It is based on the 7-Year Sabbatical Cycles that deal with Debt. But this is based on Biblical terms. Why does the USA model such a Timeline? Realize that those who control the Money Supply, the Federal Reserve and the Central Banks are Jewish. They have kept the model.

The point is that the same type of Leaders over Monetary Policy in Israel then, also brought Israel to Financial Ruin. They did not keep the Sabbatical Year to let the Land 'Rest'. And these are the same People that will ruin the USA for similar reasons. It is all prophetic. In 2017, Jerusalem was declared to be Israel's Capital. For the 'Old Phoenix', the USA is showing its age and nearing its time to transfer the 'Order'. When it comes, the infrastructure will collapse, the hardest hit areas will be the megalopolis of concentrated Humanity, chaos will occur, especially the Inner Cities where most are already totally dependent on the Federal Government for provisions.

This scenario is predicated if there are indeed 33 Cycles of the prophetic Sabbath Cycle countdown to the 'New Beginning' or Reset of the Global Financial Grid since 1792 for the USA. The 32nd 7 Sabbath Cycles of time ended with the termination of the Jewish year 5776 or 2015. If one is keen to the chatter amongst the well versed and seasoned Economists of the world, they are predicting the ominous inevitably of a crash during 2023. What most are really alarmed at are not so much the Stock Markets of the World particularly that of New York and London, but the Bond Market is what will exacerbate the collapse far worse than the Market Crash of 2008. Interestingly, the collapses of 2001 and 2008 to 2022 are in approximate phi ratio of time.

## Prophetic Conspiracies

Thus, could such an orchestrated transference of the New World Order 'Phoenix' deal with tangible preparations in light of this coming time based on the 13-step Great Pyramid blueprint? Among all the man-made structures of the World, there is no greater design as this most powerful motif in the world that is related to a 33-Cycle Code encryption in the Great Pyramid of Giza. Then, in terms of the key players to the coming fall of the America 'Phoenix', one is the head of the International Monetary Fund, Christine Lagarde. She even lectured on the Magic of the 'Power of the Number 7', on January 15, 2014.

Then in 2015, the French Foreign Minister Laurent Fabius spoke of a 500-Day Countdown to a 'Climate Chaos'. This countdown also coincided with September 23, 2015 or the Fall Equinox. During that time, the Pope was giving a speech to the U.S. Congress and the UN on its 70th Jubilee Session since it was founded in 1945. Coincidence? No. The UN ratified revisions of its Agenda 21 plan for a 'One World Government' that even the Pope endorsed.

On an aside note, the IMF has 188 country members. What is very telling is when and how the Luciferians encrypt their 'signaling' publicly. This 188-coefficient was masked in the date itself. From January 15 to September 23, 2015 the Jubilee Year was 616 days or 1 year 8 months 8 days (1-8-8). It is also 88 weeks that match the 88 days Mercury's orbit around the Sun. Mercury is the God of Money, etc.

<b>Lagarde Speech</b>	<b>1y 8m 8d (188)</b>	<b>Jubilee</b>
Jan 15, 2014-----	616 Days -----	Sep 23, 2015
<b>Fabius Speech</b>	<b>(Climate Chaos)</b>	<b>Jubilee</b>
May 11, 2014-----	500 Days -----	Sep 23, 2015

It is rather interesting that on the 25th, the same day that the Pope addresses the UN, he was also scheduled to visit a school named after the 'Queen of Heaven', aka Isis the transgendered Lucifer in drags. The number 511 is the number for 'Travel Info' regarding Weather Conditions. Such have been also the timing of their New World Orders. What is spectacular about May 11 is that it is an encrypted 511 telephone number in the USA. Such events also appeared to be mathematically in approximate phi ratio of time to this Jubilee 5776-time marker. The New World Order to come is in approximate phi ratio to the League of Nations in 1919 and the United Nation in 1945.

This study suggests that 2 other prophetic events eclipse such a phi ratio of prophetic time also. And that it converges in 2023. One such prophetic phi ratio of time template is seen in the World Wars, as in World War 1 and World War 2 when subjected to an approximate phi ratio of time suggest that 2023 is a 'Capstone' Year. Thus, it could be the case that after the last Sabbatical Cycle, the 3rd World War might occur and the New World Order thereafter. The 2nd prophetic event is based on the Olivet Discourse of Jesus. In that discourse Jesus set the prophetic mirror of how the 2nd Temple, the City and Israel would be destroyed. Conversely it is a code and a countdown of how all 3 will be restored in approximate phi ratio of prophetic time in the Last Days to culminate in the rebuilt 3rd Temple.

As it is, 2 of the 3 elements have already come to pass, in 1948 and 1967. Israel was reborn, then the Old City and next is the Temple, in reverse order. As noted, the start of the Tetrad of 2014-15 was in approximate phi ratio to the year of liberty, 1776. This is the Sabbath Cycle 'code' that has been pegged to the 13 Steps Code of their Luciferian Great Pyramid. As noted, the 'Code' starts from the Coinage Act of 1792, where there are 7 sections of 32-year completed Sabbath Cycles.

The 33rd Sabbatical Cycle convergence correlates to 2023. Will this be the year when the 'Phoenix' of America will fall? As of the writing of this book, most newly created jobs in the U.S. were part-time. The debate is still around Universal Healthcare and the need to sustain and fund Social Security. Most 'good jobs' are being replaced by better qualified Foreign Workers that are paid less and are exempt from certain laws to a degree.

Currently the U.S. Dollar is being artificially propped-up by the Federal Reserve. In summary, the Synagogue of Satan owns the Dollar Printing Presses. And the only reason the Stock Market is essentially rising is that it is manipulated while there is 0% interest rates. As the U.S. Dollar is created by Fiat or out of nothing, it will collapse. Why? It is backed by nothing other than the perceived value shipped by the Banksters.
