DESCRIPTION: Great looking and performing recurve. This particular Kaibab is a superior shooter. Seduha riser. Comfortable and smooth shooting bow. Bow has no delamination; no cracks; limbs are straight. Beveled arrow shelf. Overlays and tips are in great condition. 2 professionally filled screw holes on the back of the riser (see pic on last page) . A small scrape in the sight window where the arrow rest side plate would go (too faint to show up in the pic). No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.

Filled sight holes
