07/24 - Cathy Terrell

SUNRISE CIVITAN CLUB OF SPARTANBURG

Civitan International: A Century of Service 1917 -2017

, 1990-1999

In 1992, Civitans celebrate the organization's 75th anniversary with the unveiling of the UAB Civitan International Research Center, located at the University of Alabama at Birmingham. The Center is a world-class medical research facility dedicated to research, diagnosis, and treatment of developmental disabilities and other neurological disorders. It is founded through a \$20 million commitment from Civitan International, and Civitans everywhere have a central focus for their fundraising to help people with developmental disabilities. Civitan International's annual donation to the Center is greatly supported by the Civitan Chesapeake District's Foundation, and enables the Center to purchase what the first research-dedicated MRI scanner in the state of Alabama. Civitan joins the digital age with the launch of the Civitan website, at www.Civitan.org.

Civitan expands to the African continent, with clubs chartered in Jordan, Sierra Leone, Ghana, and Nigeria.

2000-2009

With the Civitan International Research Center, Civitans have a centralized outlet for their fundraising efforts around the world. The Center makes outstanding breakthroughs in medical research, and incorporates the Civitan-Sparks Clinics (previously the Sparks Center for Learning and Developmental Disorders), a clinical diagnosis and treatment center located in Birmingham.

While membership in North America experiences a decline, Civitan gains a massive expansion around the world. Clubs are chartered in Asia, Europe, and Africa. By the end of 2009, the Civitan family of countries includes a total of 30 nations.

2010-2017

Civitans now look toward the centennial anniversary of their organization. The organization unveils a new club category targeted at young adults, which are known as Young Professionals, or YP Civitan Clubs.

2012 marks the twenty-year anniversary of the UAB Civitan International Research Center. In 2016, the Center unveils the Civitan International Neuroimaging Laboratory, through which scientists will conduct even more advanced research into neurological disorders.

In preparation for the centennial anniversary, a capital campaign known as the Restoration Fund is launched, to fund repairs and refurbishment to the International Headquarters building. These repairs are slated to be completed before the Centennial International Convention in 2017, in Birmingham, Alabama.

There are now Civitan clubs in 47 countries around the world, all of whom are looking toward the next century of service.

THE CIVITAN CREED

I AM CIVITAN as old as life, as young as the rainbow,
as endless as time.

MY HANDS do the work of the world and reach out in service to others.

MY EARS hear the cry of children and the call throughout the world for
peace, guidance, progress and unity.

MY EYES search for others to join in the fellowship and service of Civitan.

MY MOUTH utters the call to daily duty and speaks prayers in every tongue.

MY MIND teaches me respect for law and the flag of my country.

MY HEART beats for every friend, bleeds for every injury to humanity,
and throbs with joy at every triumph of truth.

MY SOUL knows no fear but its own unworthiness.

MY HOPE is for a better world through Civitan.

MY MOTTO: Builders of good citizenship.

MY BELIEF: Do unto others as you would have them do unto you.

MY PLEDGE: To practice the Golden Rule and to build upon it
a better and nobler citizenship.
