## **CHRISTMAS PROGRAM:**

Our Christmas program was wonderful last Thursday evening. Thank you to Mrs. Jones and Ms. Kulp for preparing our students and providing an entertaining evening that reminded us of the joy and magic of the Christmas season. Also, a special thanks to Downtown Rock Springs/URA who donated the use of The Broadway Theater for our festivities.

## **WATER AND SNACKS**

We have the same students asking every day for the office to provide snacks and water, and it has become a disruption in the classroom and in the office. The office should only provide these items on the rare occasion a student forgets their own. Please remember to send your child with water and snacks every day. Thank you!

## **ADVENT WEEK 3**

The theme for the 3rd week of Advent is Joy. Not only are we reminded of the joy of Christ's birth, we are also to remember that joy is in the giving as well as the receiving. Students have been given a 12 days of Christmas kindness list that can help bring Christmas joy to others and themselves.
