Opportunities

The Adair County Fair Board is committed to bringing a fun-filled fair to our community by adding new events each year.

Our board is also proud of the improvements we have made to the grounds. These improvements would not be possible without the help of our generous donors and the grants we have been awarded. We are especially grateful to the organizations, businesses, and individuals who have donated toward the improvements. These improvements are helping our board make the fair bigger and better each year.

The board has created some new sponsorship packages that we feel will also show our appreciation to our supporters. As a supporter, you and/or your business will be recognized during the fair events throughout the week of the fair. You will also be recognized on the website and social media.

To become a supporter of the 2022 Adair County Fair, please submit your sponsorship by May 1st, 2022 to ensure we can get your info shared as much as possible.
