(In partnership with TriTone)

CHUBB®

High fidelity, or the pursuit to re-produce a cinematic experience with acoustic isolation and treatments, is what videophiles or home audio enthusiasts seek, as they invest in state-of-the-art audio visual systems for their home.

At Chubb, we understand the importance of caring for your valuables and the things things you treasure. If your speakers have pride of place in your home, they matter to you and to us.

While your valued audio visual systems can be included as part of a general household insurance policy, it is common for such standard policies to fall well behind the mark when it comes to providing the appropriate level of coverage, should an unfortunate event such as theft or damage happen.

Chubb's Masterpiece® policy coverage stands apart from the standard policies in that it provides a much broader cover. Our bespoke policy allows you to design the coverage you require not just for your audio visual systems, but also for everything else that you own.

Expertise in Valuing Homes

As a specialist insurer of fine homes, we need to understand the true value of a home before we can offer insurance.

Our Home Appraisers carefully document the architectural details and unique features to rebuild your house. They can also review security and fire protection, and assess ways to reduce the risk of burglary, accident and fire.

Replacement Cost on Contents

Covers the full cost of replacing contents (new for old) after a covered loss, up to the insured limit without depreciation. This includes all possessions such as furniture, electrical appliances, books, clothing, bags, etc.

Personal Liability Coverage

Covers you and your family residing with you for a variety of circumstances where you are legally responsible.

Exceptional Cover for Valuables

In the event of a covered total loss, you will get exactly the 'agreed value' amount, and not be restricted by limits, excess or depreciation.

For some categories, we provide 90 days of automatic cover for new acquisitions and up to 25% of the existing total sum insured.
