Cancellations

The Music 101 academic year is broken up into **2 Sessions**:

Session I: August 26, 2024 - January 31, 2025

Session II: February 1, 2025 - June 19, 2025

- Music 101 will credit 1 canceled lesson per Session with a 24 hour advance notice. The deduction for the credit will appear on the following month's invoice.
- Same-day cancellations will not be credited, refunded, or rescheduled. No exceptions.
- A credit not used from one Session cannot be rolled into the next.
- Credits cannot be transferred between siblings who are taught by different teachers.

Rescheduled/ Make-Up Lessons

- The Music 101 schedule often does not allow for rescheduled lessons and therefore cannot be guaranteed. Our credit system has been designed with this in mind.
- **IF** a reschedule is possible, the student will be placed within their current teacher's hours and within the same week of the canceled lesson.
- Students will not be rescheduled to a different teacher.
- Any reschedules canceled by the student will not be credited or scheduled again.

Lesson Formats

- Students may change lesson formats between in-person and hybrid at any point during the academic year.
- All students will be assigned a Zoom ID, regardless of lesson format. This makes for easy transitions in the event a teacher or students is unwell.
- Hybrid students can switch their in-person weeks at any time by notifying the studio.

Payment & Cancellation Policies

Substitute Policy

When a teacher is to be absent and unable to teach virtually, Music 101 believes in the policy of another member of the staff substituting for the day. All students follow a similar methodology in lessons. This enables members of the faculty to seamlessly cover each others' lessons when the need arises.

Voluntary Withdrawal of both In-Person and Virtual Classes

- **In order to withdraw from the lesson program, Music 101 requires written notification by the 15th day of the month prior to when lessons will end.**
 - For example, a student who would like to withdraw for the month of April, written notification must be given on or before March 15th.
- **Failure to notify the studio by the 15th will result in a student being held responsible for the upcoming month's full tuition.**
- If a student wishes to terminate lessons within a month that has been paid for, a refund will not be given for the remaining lessons.

Parking

Please be aware that Music 101 does not have access to a driveway. Parking is available on the opposite side of the street. Please respect our neighbors by not using their driveways to park or turn around. Thank you for your cooperation.

Pick-up / Drop-off

Please note the following: There is a "No Stopping or Standing" sign directly in front of the Music 101 building. We ask that you do not drop your student off more than 10 minutes prior to class and that you are prompt with your pickups to help maintain social distancing while at the studio. All students must wait inside the studio for their caregiver to arrive.

Snow Cancellations

Music 101 does not follow the weather related school cancellations. Information about our studio closing will be available after 12:00 PM. Please call the studio or check the website for updates. In the event of a necessary closure due to weather, Music 101 will teach virtual classes that day.

Recitals

Music 101 is proud to host annual recitals during the month of June for our students to showcase the skills they diligently acquire throughout the year. Recitals are a great opportunity to become inspired by the music of a student's peer as well. Our annual recitals will take place mid-June.
