Attention Scout Families

Returning to the Outdoors!

Just like that, we're back into the swing of things with monthly camping trips lined up now through July!

The recent trip to Dover was spectacular in every way—from the campsite and the weather to the air museum. The boys especially enjoyed learning about each aircraft, paired with an in-depth tour of most planes on site. Looking forward, our Treasure Island trip is just around the corner in less than two weeks. Please note we are hoping for full attendance on this exciting trip!

Upcoming Events and Service

Please be sure to keep an eye on the dates to the left-hand side of the newsletter, as we have many exciting events coming up.

We're especially excited to pair the "Caring for Friends" event with the "Adopt-a-Highway" weekend clean-ups. This change meets the request from our scouts to assist with "Caring for Friends" more frequently. Along the same lines, please mark your calendars for the Scouting for Food pick-up and delivery date—we will need as many hands as are available for this important event!

Help Us Recruit New Scouts

Lastly, please note that we have begun a very heavy recruiting program to align with back-to-school nights, community events, and community day.

With that said, please feel free to invite friends, cousins, and acquaintances to attend a scout meeting... Your Recruiter Patch awaits you!
