### Main Conference FREE!

Topics: “**Getting the Hook Out!**” on locating & clearing the root cause of issues, and a paid workshop “**Physician, Heal Thyself**” which builds on the free seminar.

*That's right,  
it's FREE!!!!*

#### WHEN?

Friday, July 3<sup>rd</sup> until Tuesday night July 7<sup>th</sup>, 2020  
24 hours per day!

**All dowsing, all the time!**

Since we can't hang out together under the Redwoods and overlook the Pacific Ocean at the University of California Santa Cruz (one of the Top 10 most beautiful college campuses in the world and where the deer graze in our labyrinths during the conference), we can still share our speakers (over 60 of them!), photos and dowsing adventures with you over the five days we normally get together.

For information, email [info@dowerswestcoast.org](mailto:info@dowerswestcoast.org) or call/text 978.496.8599

And it's **FREE!** Free? Yes, the West Coast Conference Committee and all of speakers want to share this event as an offering of love all of you, our dowser family. We'll be able to give each other virtual hugs and look forward to this exciting new way to share our information and inspiration. We will use **GoToWebinar** for our platform, the leader in online events. Each talk can hold up to 3,000 attendees. Put on your tie dye shirt, grab your dowsing tools, and tell all your friends!

Please go to our website [www.dowerswestcoast.org](http://www.dowerswestcoast.org) to register and for details, speaker list, etc.
