### **Paper Joggers**

Shark Finishing Machinery is proud to introduce the SJ-100 and SJ-600 paper joggers, designed to enhance productivity and reliability in digital print finishing. Using a paper jogger before printing, collating, binding, or cutting significantly reduces static and double feeds, ensuring smoother operation and higher-quality results. Built for durability and efficiency, the SJ-100 and SJ-600 are the perfect solutions for professional print environments that demand consistency and speed.
