

Donation & Sponsorship Criteria

1. We reserve donations for non-profit organizations. You must have your 501(c)(3) IRS status. A copy of your organization's determination letter must be submitted with your request.
2. While we would love to support all charitable organizations, we have chosen to focus our resources in the following areas of advocacy. We request that you make sure you meet one of these criteria:
 - **Youth Development, Education & Leadership** to include recreation organizations or clubs where organizations and events target underprivileged people. In such circumstances, support may be targeted at specific areas, such as inner cities.
 - **Senior Citizen Programs & Initiatives**
 - **Global Poverty:** we will support organizations that work to end hunger, preserve the environment and empower women.
 - **Health & Personal Fitness:** We will support organizations which advance access to treatment and coordinate awareness and advocacy campaigns to reduce health disparities, save lives and impact health related legislation.
 - **Social Justice & Human Rights:** We will support organizations that address gender equality issues including: human trafficking and domestic violence, services for children with incarcerated parents, youth aging out of foster care and children in homeless shelters. We will also support organizations that address voter empowerment; access to technology; training of parents as advocates for educational and health care needs of children and support of the arts will be emphasized.
3. The Foundation will not support:
 - Individuals, political organizations/parties or individuals running for office
 - For-profit organizations,
 - A Non-registered charity,
 - Religious or sectarian organizations
4. All requests must be in writing and addressed to PROC Foundation. The written requests for contributions must include the following information:
 - Requestor's name and contact information.
 - The name of the group or organization.
 - A description of the activity, event, foundation, etc. the contributed money will be used to support.
 - The community or communities that will benefit from this donation.
 - The amount of money the organization is requesting be donated
 - The date the organization would like to receive the donation.
 - If the Foundation has contributed to the group or organization in the past and if so, when
5. We ask for a minimum of 4 weeks notice to be able to accommodate your request.
6. Preference is shown to organizations filing their first request.
