### **Report by Andrew Gutstein: Publicity Initiative**

I will be writing a feature article, which I will present to local news outlets, newspapers, magazines and Channel 12.

I will be highlighting the founding and ongoing activities of the WCC. charity work, member outings and car shows .

I would greatly appreciate any input from members in the form of information, stories or anecdotes about the WCC. Photos new and old would be great.

I would like to have this completed by early June so as to allow sufficient time to submit this article in advance of our July 29 show.

My thanks to all who will help me add dimension to this story.
