2. Cut or have kids cut out the bookmarks.
3. Have kids color and decorate their bookmarks with markers, crayons, glitter, stickers, or more!
4. Have kids glue their bookmarks onto colored construction paper and cut them out, providing a rigid backing to the bookmarks.
5. Additional Ideas:
 - Use a hole-punch to help kids punch a hole at the top of their bookmarks. Provide ribbon or string to tie to the end of the bookmarks.
 - Skip step 4 by printing out the bookmark pages on heavy cardstock.
