

Ridgewood Farm Riding School Lesson Packages

POLICY

Equipment Needed

Ridgewood Riding School Lessons are customized to each rider's individual needs. Whether you are a brand new rider, casual rider, or goal oriented rider, we have a program to fit your needs. Our lessons are for riders ages 4 to 85. Prices include the use of one of Ridgewood's wonderful school horses, saddle and any needed equipment including helmets. We do highly suggest investing in a well-fitted approved helmet of ones own, which can be done easily at Jedlickas. Long pants and low-heeled boots are required attire for riding.

Lesson Policy

Payment for entire lesson package is required at time of purchase, at which time all lessons in package will be scheduled. All lesson packages and make-up lessons expire 8 weeks after the date of the first lesson in the package. Although, we will make every effort to reschedule lessons when needed, we cannot guarantee this will be possible. **48 hour cancellation notice is required to not be charged for lesson.**

Please arrive 15 minutes prior to your lesson time to help tack-up your horse and ensure the lesson begins on time. Lessons that begin late will most likely not be able to go past scheduled time slot since we are booked very tightly.
