

Wrong Way!

“Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God” (Philippians 4:6, NIV)

It seems as if the Lord is speaking about path's we take this week. If you are anxious about things, you are going the wrong way! God tells you, "Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God" (Philippians 4:6, NIV). Yet, walking this out is easier said than done.

There is only way to not walk in anxiety or fear and it starts by keeping your mind on the Lord and His Word. This means, you must not allow yourself to concentrate on the circumstances, but look instead to the author and finisher of your faith. What am I saying? Avoid any thing that contradicts His Word! If you allow doubt or anxiousness to dictate your steps you are going the WRONG WAY!

In the Bible a few folks had this great pivotal moment of clarity where God spoke directly to them regarding what to do. I mean really, think about it. Moses had a burning bush, Jonah was swallowed by a whale, Paul was blinded with scales and Peter heard a rooster crow. They had to step out in faith like we have to do trusting God.

You may be saying right now that you've prayed and are eagerly waiting for His response, but feel like you're hearing nothing. It is imperative to remain steadfast in Him to lessen your confusion.

“Thou wilt keep him in perfect peace, whose mind is stayed on Thee because he trusteth in Thee” (Isaiah 26:3), isn't just some passage, it's truth!

God knows what you need and when you need it. His timing is perfect so until you get clarity wait on Him. Stand in faith that God is at work. You have the ability to operate in faith, but you have to operate in it by trusting Him, not by what you see!

God will show you the right path to take when you trust Him. God can open and close any doors. God does this, not circumstances. If you think circumstances are dictating your events, you are going the WRONG WAY! So step back, take a deep breath, remind yourself God is worth trusting!
