

St Edmund's Summer Fair 2021

Saturday July 31st Gamecock Fields 12 – 4

We are intending, COVID restrictions permitting, to run a slightly slimmed down Summer Fair. Although we hope to raise significant funds for the church the event will be as much about the community coming together as anything else. However, we do still need items for the stalls and volunteers to run them on the day. Please leave smaller donations in the box at the back of the church as usual, or contact DON at the Rectory, for collection. Books, bric-a-brac etc. can be brought to The Rectory, by prior arrangement! [Just let me know by phone call or text 07769708251]

Below is a list of stalls, please let me know if you can help run one, and which you would prefer!
