

## Ashtead All Stars 2025-2026

### Update No.3, Sunday 19<sup>th</sup> October 2025

---

Dear all,

Well done to everyone today. It was hard to put out a full set of junior teams due to the number of girls on half term or on school trips, but with everyone pulling together it was surprising how many matches we still managed to play. We had multiple girls playing twice, some girls playing completely out of position, and some girls dashing between venues to help out other age groups.

For your information, if we pull out of a match the opposition win 15-0. If another team pulls out on us, we win 15-0. This scoring is also applied if we don't put out a 'legal' team - by that I mean sometimes we will play girls in a team below their registration, just to ensure a match goes ahead. We would rather play the match even if we know we will lose the points because we don't want to let down the opposition, and because our girls want to play.

I hope everyone has dried out and you can sit back and enjoy the results. It's good to see that most of the matches, even if we have lost, are well contested. Remarkable results considering the fact that so many girls played twice. Most importantly the girls were happy and had fun. Well done all.
