## **RAIN AND THUNDER- STORMS**

This time of year we often experience thunderstorms in the afternoon and lots of rain. This can

be a problem when trying to keep your lawn mowed. Try to plan accordingly—lawns should be kept below 6 inches high.

Please note that you are required to get out of the pool when there is thunder and lightning in the area.

## **HURRICANE SEASON**

We are entering into the 2018 Hurricane Season and wanted to share some tips to help be prepared for the upcoming season.

- ◆ Stock up on water and non-perishable foods now before a storm hits

- ◆ Make sure your yard is picked up—dead branches and un-trimmed trees/bushes could pose a threat if a storm should come our way.

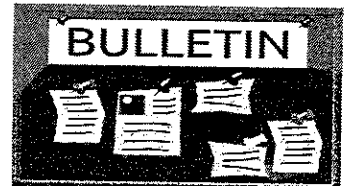

- ◆ Keep your car gas tank full

Wink News has the 2018 Hurricane Guide out, pick one up at a local store or visit their website: <http://www.winknews.com/hurricanecentral>

**We have some copies at the Clubhouse**

Anyone wishing to post on the Oak Hollow Bulletin Board must first stop by the office for approval. All posts need to be the size of an index card or smaller.
