

Product Change Notification

Product Line:	COMBO A	Part No:	NCJ6FA-*
Piece Part:	XLR contact	Part No:	91418511 91418521 91418531 91418561 91418571
Engineering Change Request:	-	Date:	-
Engineering Change Execution:	-	Date:	-
Comments:	XLR contacts changed to selective plating		
Affected products:	NCJ6FA-H, NCJ6FA-H-0, NCJ6FA-H-0-Y, NCJ6FA-H-D, NCJ6FA-H-Y, NCJ6FA-V, NCJ6FA-V-0, NCJ6FA-V-0-Y		
First Shipment of Modified Product:	H01		

Engineering Change Notice

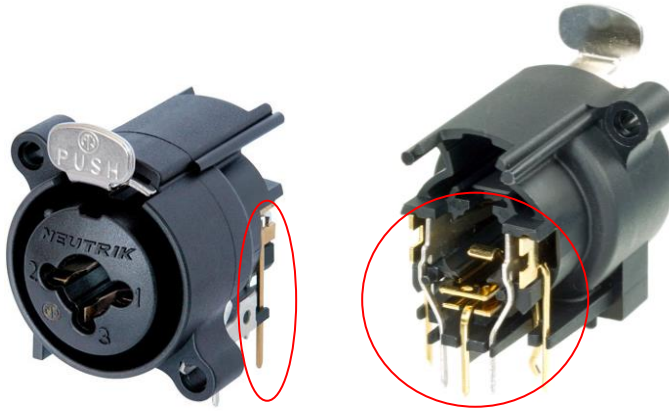

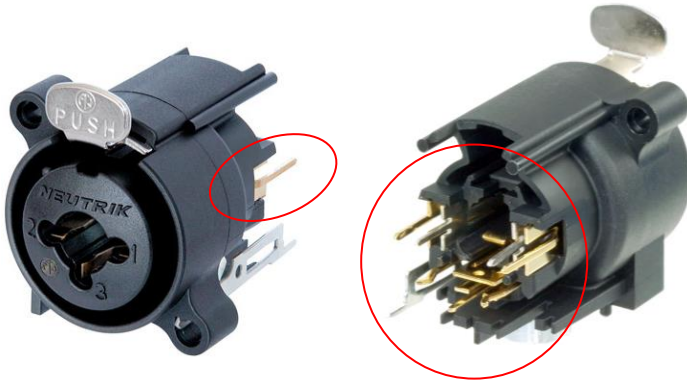

Plating changed from fully gold plated to selective gold plating at contact area and tin plating at PCB termination area for best conductivity and solderability.

OLD

XLR contacts
fully gold plated

NEW

XLR contacts
with gold plating
at contact area
and tin plating at
PCB termination
area
