

“Just For You”

I had planned on posting something else and felt strongly to change directions for today (so I am going with what I sense He is saying).

This message is completely true. I believe this comes from the very heart of God and is totally for you.

I pray you embrace each word. I pray each word takes root within your heart, your mind, your soul and your spirit being to bring forth eternal fruit.

I pray He touches you so deeply that you will never be the same.

“I love you. I am your Father. For you are my offspring. I have always been your Father, and will always be your Father. I came to demonstrate that I am for you, not against you.

For in Jesus, My love for you is always revealed. Nothing will ever separate you from My love. I gave up everything I loved that I might gain your undivided love.

I knit you together in your mother's womb. You are My treasured possession and My thoughts toward you are countless as the sand on the seashore. It is my desire to lavish my love on you. I love you with an everlasting love.

I am the One who comforts you in all your troubles. I know when you sit down and when you rise up. I am familiar with all your ways. My plan for your future has always been filled with hope. I know everything about you.

Sometimes things do not go as you expect them, but that does not mean I am not at work on your behalf. I will bring what I have said to pass. Time does not change that I am actively at work or that My plans for you have been disrupted. It just means I am running on a different clock than you are.

One day I will wipe away every tear from your eyes. I am able to do more for you than you could possibly imagine. I want to show you great and marvelous things. For it is in me you live and move and have your being.

You are engraved in the palm of My hand and no matter what, I will never leave you or forsake you. I am leading you. I am directing your steps and I am guiding you with My eye.

Heavenly Father,

In the name of Jesus I renounce all wrong thinking, all doubt, all unbelief attitudes and fix my mind on Your spoken word. For I know that Your words are true noble, reputable, authentic, compelling, gracious and the best. I submit to your Word, which judges my thoughts and the attitudes of my heart. Thank You for Your truth, and unconditional love towards me.
