## January 2020

---

### ANNOUNCEMENT OF ELIGIBILITY FOR GRADUATION 2020

January 15

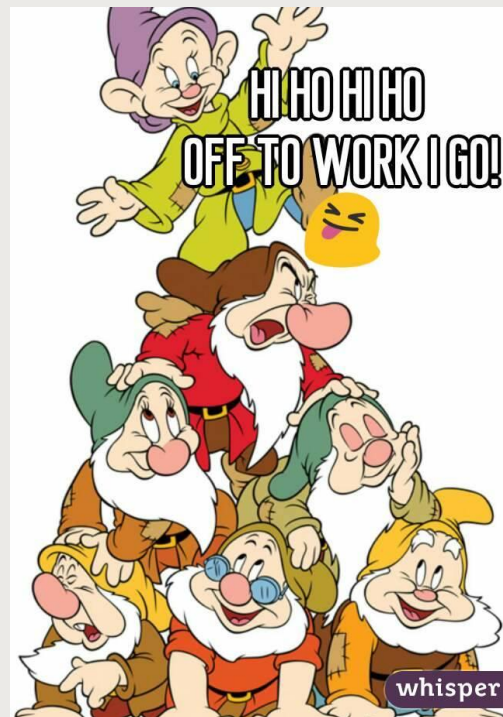

**NHHSA's** Annual Announcement of Eligibility for graduation has been scheduled for January 15.

If your student is up for graduation this year, you will receive an email announcing his or

### CLASSES RESUME

January 3

All Grade Levels

We had a great holiday season and we're now ready to start the new year with a bang! So, it's time to get back to work!

All classes resume Friday, January 3 on a regular schedule.

## Med Club Meetings in January

Grades 7th - 12th on January 21 & 23  
Grades PreK - 6th on January 23

Glad to have you back team!

We're kicking off the year with some extraordinary work on the spleen and the lymphatic system and have a lot of material to cover.

What's more, you have some new reading material, additional reports, and the medical kit to work on.

So, time to sharpen your pencils  
(and your skills!).

Great to have you back in action!

Martin Luther King Day  
No School  
January 20

This class is composed of two parts. Part I, the movie and discussion (January 21), and Part II, research study and discovery (January 23). In order to receive a passing grade and full credit for Social Studies students must complete both parts and all associated assignments.

For the Social Studies lessons in grades PreK - 6th please consult the respective educators. Social Studies' day for these grade levels is scheduled for January 23.

ALL DAY SCIENCE  
PreK - 6th, January 28

In honor of the remarkable work of Martin Luther King, Jr., **NHSA** will be closed on Monday January 20.

# SCIENCE

Students gear up for another full day of learning and experiments, January 28.

Home-bound student and parents welcome to join us.

Thank You!

THANK  
YOU!

To the parents who joined forces with the Salvation Army to make Christmas a little more merry this year, we want you to know:

**We can't thank you enough!**

Your caring support brighten the lives of children in our community!

VISIT OUR NEW LOCATION

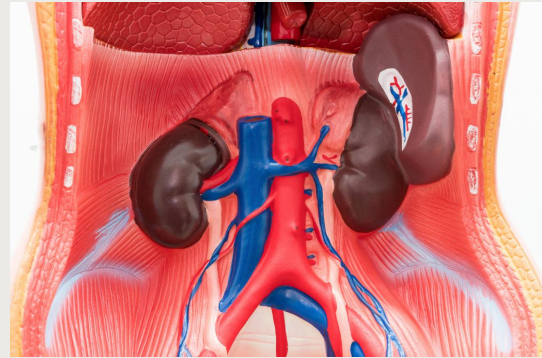

Classes will resume their normal schedule on January 21.

## DISSECTING THE SPLEEN

All Day Science for Grades 7th - 12th

January 30

Welcome to a full-day of exciting learning of the spleen and its role in the lymphatic system.

Educator Grisel Rodriguez and Med Club students lead an engaging study, including dissection, of the very system that helps to keep our bodies healthy.

Home-bound students welcome as usual!

## JUST ANOTHER REMINDER

What to do in the event of Inclement Weather?

Okay, so in El Paso, you can never really tell if the sleet or snow is really gonna show up even after

Westsidiers, make sure to visit our new location, **NHHSA** West, conveniently located at 5400 Suncrest Dr., Suite B5.

Also coming this year, **NHHSA** Transmountain.

We're growing and we want to continue to service all of your schooling needs!

And remember that you can always visit us online by clicking the link below.

[Visit our website](#)

meteorologists are saying it definitely will or it definitely won't. This is even more true in the month of January.

So, in the event of unexpected, inclement weather, you may wonder....will **NHHSA** be open today or not?

To know for sure, check our Facebook page. If classes are canceled, we will post it right there and usually by 6 a.m.

We aim to keep you informed!
