

Visit Pennypickles.org for
Event & Museum Schedules!

Pennypickle's Workshop is the home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface is occupied by pulleys, gears, cables, blueprints and stuff. There are secret passageways and puzzles, machines and gizmos. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise... there are WAY too many exciting happenings to list here!). Be sure to call the Professor's hotline at (951) 308-6376, or check his website at pennypickles.org for detailed information or to purchase advance tickets. Children must be accompanied by an adult.

Amazing HOLIDAY Events at the Workshop!

SANTA'S ARRIVAL

Friday, November 25, 6-9pm

The excitement builds as we wait for Santa's arrival at 6pm! The Professor lets his old friend borrow his comfy, cozy cottage just so you can visit him in an old-fashioned, non-commercial setting. Pennypickle's Workshop will be open from 10am to 9pm on this special day, and Santa will entertain visitors from 6pm until 9pm. After his special entrance on Friday, November 25, Santa will be in his cottage on weekends from Saturday, November 26 to Sunday, December 18.

Hours to visit Santa are:

Saturdays, 10am-1pm; Sundays, 1-4pm

PENNYPICKLE'S SHOPPING SPREE

Sunday, November 27, 12:30-5pm

Fee: No charge; regular admission to the Workshop

Pennypickle's Workshop is an awesome place to visit and discover science while you play, but the gift shop is every bit as fun. We'll be celebrating Neighborhood Toy Store Month and National Museum Store Sunday (seriously, those are things!) with lots of reasons for you to shop us first for really unique gifts and stocking stuffers that appeal to kids of ALL ages! Follow us on Facebook and Instagram for details on weekly surprises.

**Discover Science
through Play!**

PENNYPICKLE'S POLAR EXPRESS

Friday, December 16 or 23, 5:30-7:30pm

Fee: \$25-children only; must be 5-10ish yrs old

Moms and Dads - Enjoy some alone time during this busy season while your PJ-and-robe-clad child boards Professor Pennypickle's Polar Express for fun activities and adventures! Be sure to register early by calling 951-308-6376.

CHRISTMAS EVE KIDS ONLY PARTY

Saturday, December 24, 10am-noon

Fee: \$25-children only; must be 5-10ish yrs old

Okay. We KNOW they're dying of excitement! We'll help reduce their energy overload by letting them have some fun playing with science and we'll reduce YOUR Prep-Stress by giving you a couple of hours free. The babysitting... uh... "kids' party"... starts at 10am and pick-up time is (no later than!) noon. We're asking the paltry fee of \$25 per child ages 5ish-10, but we figure that by the 24th, you'll be willing to pay anything. We feel your pain. Please note: Pennypickle's Workshop will be closed for the rest of the day after this event so that WE can de-stress and get ready for the big guy! Ha ha!!

NEW YEAR'S EVE AT NOON

Saturday, December 31, 11am-12:30pm

Fee: \$15/person over the age of 2

Celebrate the New Year Pennypickle-style... at noon instead of midnight! You won't want to miss the Professor's VERY special party for those too young to stay up late. Reserve your spots NOW - this event always sells out. Call 951-308-6376.

Explore Science at Pennypickle's Workshop!

Home of Professor Phineas T. Pennypickle

LET'S PLAY FRANKENSTEIN CONTEST

Enter our "LET'S PLAY FRANKENSTEIN" contest for the chance to win a STACYC electric bike valued at \$799! Make a monster, robot, or any strange creature out of an old Barbie or Ken doll... something that Professor Pennypickle might invent. Visit www.pennypickles.org for details, rules, and an entry form. Contest ends February 3rd; entries will be judged at our KIDS ONLY CLUB - Frankenstein Life Laboratory event on February 8th, and prizes will be awarded at Pennypickle's Birthday Bash on Sunday, February 11th.

PENNYPICKLE'S BIRTHDAY BASH

Sunday, February 11, 12:30-2:30pm

It's the Professor's birthday and his assistants (and Beaker!) are throwing him a party and YOU are invited. There will be lots of fun and surprises at the best and most crazy birthday party of the year!

SCOUTING GROUP FIELD TRIPS

Your scout (Boys or Girls) or home school group can join us to help fulfill their badge or curriculum requirements while having a great time at the Workshop! Science Labs will be held from 3:15-4:30 pm on a date of your choosing (based on availability)... groups can stay to play until closing time at 5pm. Each group is required to have 6 or more members; you may be placed with another group in a Lab if there are less than a total of 20 children in a class and there are multiple requests for that day. The charge is \$12.50 per child; scout leaders, parents and extra siblings (who may not stay in the Lab but can play in the Workshop with their adult) will be charged at current admission price. YOU MUST PRE-REGISTER by calling 951-308-6376.

The following subjects are available at this time (CHOOSE ONE PER RESERVATION):

Explore Space Science

Nano Science Lab

Let's Do Chemistry

KIDS ONLY CLUB

Ages: 5-11ish

Fee: \$25/child; includes all materials

Kids Only Club are drop off events for children only, where we do lots of fun science stuff and YOU get to have a couple of hours to yourself! Early pre-registration is suggested as space is limited; call (951) 308-6376 for more information and tickets.

Winter at Hogwarts

Wednesday, January 11, 3-4:30pm

All of the Professors at Hogwarts are excited to share their most wizarding winter wonders and magical experimentations. Be sure to dress in your robes (or lab coats) and prepare to be enchanted. (Get your tickets EARLY!)

Frankenstein 200 L.I.F.E Laboratory

Wednesday, February 8, 3-4:30pm

The Frankenstein Laboratory for Innovation and Fantastical Exploration (L.I.F.E.) seeks the next generation of thinkers and makers to investigate how science and technology shape the world around us and Professor Pennypickle thinks you should be included. To celebrate Mary Shelley's masterpiece, join us to play with monsters, robotics, electricity, and all things Frankenstein-ish!

Doing Science with Friends

Wednesday, March 15, 3-4:30pm

Ok, kids... you can be inventors, engineers, mathematicians, chemists, astronauts... anything you want to be. It's all about science, and if your stuffed animal, American Girl doll, Barbie, Buzz Lightyear, or other friends (including human ones) are interested in having fun adventures with you, bring them along for cool experiments and surprises!

Slime Factory

Wednesday, April 12, 3-4:30pm

Gooney? Yes!! Messy? Probably! But isn't that what makes science fun? We'll "mess" with different kinds of polymers to see what makes slime work and how your very own concoction is really the best! Bwahahaha!!

Vet Academy

Wednesday, May 10, 3-4:30pm

Do you love animals and dream of working with them? If the answer is yes, then enroll in Vet Academy! You'll learn how to speak dog and cat, what helps make animals happy and well, and much more, so grab your favorite stuffed animal, your stethoscope and lab coat, and prepare for an exciting animal adventure.

Have your Party at the Professor's House!

With the Professor's and Beaker's help, you are bound to have an unforgettably fun celebration! Call (951) 308-6376 for more information and to reserve your party today!
