Recital Information

We will have two shows this year. Our shows will be held on Sunday, May 31st at Monroe-Woodbury High School.

Rehearsals will be held on Saturday, May 30th. Exact times for rehearsal will be distributed in early May.

The two shows will be at 11:00am and 3:00pm. All regular classes will be split between these shows. Advanced classes will perform in both shows.

We will again attempt to place families with siblings in the same show but as the school has grown through the years, this has become extremely difficult. The situation becomes much harder when there are several siblings or if a sibling is dancing multiple times. Unfortunately, not all families will be in the same show. We ask you for your understanding and cooperation as we try to accommodate as many families as possible.

We look forward to another exciting end of the year show! More information will be distributed in the spring.

Drop-off/Pick-Up & Waiting Room Policy

If you are dropping your child off please make sure you pull over as far to the right as possible so you do not block other cars from entering the parking lot.

Please make sure your child makes it safely into class if you are dropping off. We ask that you walk all children under the age of eleven into the building. Do not drop students off to early for class as there is no staff supervision in our waiting room. And please make sure to pick your child up on time after class. Please have all students wait in the lobby and not outside to be picked up.

If your child has multiple classes and is under the age of eleven, unless their classes are back-to-back, you must be present with your child in the waiting room during the break.

Also, we ask that any siblings are supervised in the waiting room and that the noise level in the waiting room remains at a normal level so as to not be distracting to the classes that are in session.
