

Stephanie Savery

I have been working for CAPCIL for 3 years. I began my career as a Family Assistance Specialist doing intake, then became a Family Service Worker. I am currently the Client Management Services Director and I have been in this role for the past 10 months.

Since I graduated from WIU in 2006, I have only worked for non profit agencies. The reason behind this is that I have been drawn towards the mission of the agencies, especially that of CAPCIL to better the community. I feel that non profit agencies focus more on the values that I personally hold.

I have two children, ages 9 and 9 months. My 9 year old daughter, Alyssa, plays Lincoln FC competitive soccer, softball, and indoor soccer. Her sports keep our schedule pretty busy. I also like to volunteer in the community, especially for the Rotary Club of Lincoln.
