I think the Hyatt Regency is hiding a Five-Star chef in the kitchen! Today's lunch was chicken piccata, fingerling potatoes, asparagus, onion fennel soup, spinach salad with apple slices, rolls, and lemon bars. Bravo!

Today's lunchtime crowd included Anne, Ben W., Pat, Bob, Ben G., Ann, and Rick. Because watching a 30 minute video was on our agenda, we only had a short introduction to the meeting. Ben G. reported on his efforts to find a new advisor for the Preble Key Club. Anne has connected with the third grade instructors at Nicolet Elementary School. We may be having lunch with the teachers in December. Stay tuned!

All Kiwanis clubs have been asked to watch a video titled "Youth Protection Matters" and we did so today. It actually was quite informative and our group discussed what we heard and learned for 20 minutes afterward. Pat will report the completed training to Kiwanis International and add a link to our website for anyone wanting to see the video again or for the first time. Here is the link to the training: <https://vimeo.com/863372175>

Our remaining 2024 meetings will be held on November 18, December 2, and December 16. All are currently scheduled for noon at the Hyatt Regency. It's possible the last meeting will be at Nicolet. You'll get plenty of advance notice if that occurs.
