

## Ashtead All Stars 2023-2024 Update No.7, Sunday 3<sup>rd</sup> December 2023

Dear all,

We did well to get all our matches played this weekend, despite fog, ice, rain, illness and injury. Thank you AAS for pulling together!! Thank you to all the girls who volunteered to play for different teams just to make sure we fulfil all our match commitments.

As coaches, we often get our biggest reward from where you would least expect it. My U13D team played against The Downs B today. Their team was dessimated with illness so just 6 girls took to the court, a mixture of Ds and Es, and their resilience and positivity was outstanding with some of our players playing the best netball they have ever played. We didn't win the match, but we felt like winners. Super effort which really made my day. Thank you parents for your support.
